Side Hustle Chris Guillebeau, 2017-09-19 The author of the New York Times Bestseller THE 100 STARTUP shows how to launch a profitable side hustle in just 27 days To some the idea of quitting their day job to start a business is exhilarating For others it's terrifying After all a job that produces a steady paycheck can be difficult to give up But in a time when businesses have so little loyalty to employees that the very notion of job security has become a punchline wouldn't it be great to have an additional source of income to fall back on And wouldn't it be great to make that happen without leaving your day job Enter the Side Hustle Based on detailed information from hundreds of case studies Chris

Guillebeau provides a step by step guide that anyone can use to create and launch a profitable project in less than a month. Designed for the busy and impatient, this plan will have you generating income immediately without the risk of throwing yourself head first into the world of entrepreneurship. Whether you just want to make some extra money or start something that may end up replacing your day job entirely, the side hustle is the new job security. When you generate income from multiple sources, it gives you options, and in today's world, options aren't just nice to have; they're essential. You don't need entrepreneurial experience to launch a profitable side hustle. You don't need a business degree, know how to code, or be an expert marketer. And you certainly don't need employees or investors. With this book as your guide, anyone can learn to build a fast track to freedom.

Side Hustles Using AI Adirondack Publishing, 2025-11-25. *Side Hustles Using AI* gives you a simple step by step roadmap to earning 1,000 per month using today's most powerful AI tools from home during your lunch break or even while traveling. The AI era isn't coming; it's already here. For the first time, everyday people can use easy-to-learn tools like ChatGPT, Midjourney, Canva AI, Runway ML, and Notion AI to create real income without tech skills or startup money. This book shows you exactly how to turn these tools into consistent 500 to 1,000 per month income streams, and much more if you choose to scale. Inside this practical, beginner-friendly guide, you'll learn how AI is transforming business opportunities and why early adopters earn the most. The 5 easiest AI tools for beginners and how to use each to produce real, sellable work. Step by step walkthroughs of 5 profitable AI side hustles: AI copywriting for businesses, graphic design using Midjourney/Canva, chatbot services for local businesses, short-form video content creation, selling AI templates, prompts, and digital products. How to find paying clients fast, even without a portfolio. Smart pricing strategies to avoid undercharging and maximize profit. How to scale your side hustle into a real business. Future proofing strategies so your income grows as AI evolves. Whether you want a flexible side income, a work-from-home path, or a realistic way to escape traditional 40-80 hour workweeks, this book gives you a clear blueprint for building real, sustainable income with AI.
