Black Friday Compare Customer Service:

2024 Holiday Customer Service Blueprint Jelisaveta Sapardić, 2024-08-20 Did you know that customer service requests can increase by 65% during Black Friday and Cyber Monday compared to a typical day? This staggering surge can overwhelm even the most prepared customer support teams as they struggle to manage a flood of repetitive questions, keep response times low, and maintain high levels of customer satisfaction all at the same time. However, this surge also presents a critical opportunity to boost revenue and acquire new customers, with over 87% of consumers shopping during Black Friday and 61 million people globally purchasing from Shopify-powered brands. Drawing from our experience supporting over 300,000 businesses worldwide, we understand the importance of a seamless customer experience, especially for e-commerce companies and SMBs. We've developed strategies that help businesses overcome customer service challenges during peak shopping times. In this ebook, we'll share practical tips and insights from industry experts to help you manage customer demands during these critical periods. Learn how to navigate and thrive during the busiest seasons with our proven advice.

Internet Retailing and Future Perspectives Eleonora Pantano, Bang Nguyen, Charles Dennis, Sabine Gerlach, 2016-12-08 Since the first edition of this landmark textbook, online shopping has grown exponentially to the point that it now threatens to eclipse the high street. With online retail offering both advantages and challenges that are distinct from traditional commerce, this textbook provides new approaches to retailing and, as such, helps readers to take advantage of new digital technologies. This long-awaited new edition provides a thorough and substantial update to its solid core principle of digital retailing and its relationship with conventional retail methods. These principles are explained clearly and practically to provide students, entrepreneurs, and researchers with a reliable guide to the implementation and operation of a successful online retailing business. Updates to this edition include search engine marketing and search engine optimization, new and updated case studies including Tesco's virtual store, Ray-Ban's smart mirror, IKEA's mobile catalogue, and Nordstrom's TextStyle. Social networks and electronic word-of-mouth communication are also covered. A new chapter on ubiquitous retailing, with accessibly written features such as key learning points, questions, think points, and further reading, makes *Internet Retailing and Future Perspectives* ideal for anyone studying or researching digital commerce.

Advances in Digital Marketing and eCommerce

Francisco J. Martínez-López, 2023-05-30 The Digital Marketing and eCommerce Conference aims to bring together leading researchers and research scholars to exchange and share their experiences and research results on any aspects of e-commerce and digital marketing. This volume presents the proceedings of the 2023 edition in a collection of contributions with many original approaches. They address diverse areas of application such as online brand communities, channel design, online retailing, cryptocurrencies, user-generated content, TikTok, among others. A wide variety of theoretical and methodological approaches have been used.
