and creators detail the full history of this iconic sitcom. The cast recalls their memories of the trials and tribulations of casting. They share their impressions from the first table read through the last light turning out. Writers, directors, and performers walk readers through storylines, production, and favorite episodes. Guest stars such as Elizabeth Banks, Josh Gad, Adam Devine, Matthew Broderick, and Nathan Lane recall their appearances on the show, while others recount their experiences working with Kevin Hart, Barbara Streisand, Ed Norton, and more. Readers get to go behind the scenes and experience the show like never before, including personal photos. They'll also discover the never-told fallout and divorce of the two showrunners, making the show two separate series blended into one. Even people unfamiliar with the show will gain deep insight into what it takes to put a series on television. Typically, oral histories come out as retrospectives based entirely on recall. This one will have the benefit of having the ending occur in real time. From script development to final season, the 11th season will be the show's last. Readers will get a glimpse of the cast's relationships with each other and the emotions attached to saying goodbye to the best and longest running workplace many of them expect to ever experience. Much like the series itself, this book shares a story of family, conflict, and collaboration that went into this timeless groundbreaking series.
