Handwriting for Active Young Writers: Book Five: A Functional Approach, *A Step-By-Step Guide for Coaching Classroom Teachers in Evidence-Based Interventions* Dana D. Marchese, 2017. *A Step-By-Step Guide for Coaching Classroom Teachers in Evidence-Based Interventions* is a practical guide for school-based professionals. Combining evidence-based practices with the authors' real-life experiences working with classroom teachers, it represents a decade of research. The authors offer step-by-step approaches based on hundreds of case examples to overcoming some of the most difficult challenges faced by coaches and teachers in terms of implementation of evidence-based interventions. This book describes the coaching model and offers strategies for monitoring, enhancing, and troubleshooting teacher implementation. In addition to establishing positive coach-teacher relationships, the authors demonstrate how coaches can incorporate strategies that reflect core principles of behavior change, including modeling, reinforcement, and performance feedback. More than 20 handouts are shared in the appendix of the book. No other text features this distinctive blend of theory, research, and real-life experiences, making it a valuable and unique contribution to the field.

Teacher's Guide to Tackling Attendance Challenges Jessica Sprick, Tricia Berg, 2019-02-19. Students can succeed in school, but they must be in school to do so. Addressing absenteeism is as important as addressing problematic behavior and academic difficulties in the classroom. To address the pervasive issue of chronic absenteeism that is missing 10 percent of school days for any reason, educators must begin to move away from a model of reliance on reactive and punitive approaches and toward one that is preventive and positive and that uses proven principles of behavioral change. *Teacher's Guide to Tackling Attendance Challenges* by nationally known educators Jessica Sprick and Tricia Berg provides teachers with the information and resources they need to build a strong classroom-based initiative to improve the attendance of all students, creating a classroom culture of attendance with easy-to-implement strategies. Sprick and Berg provide concrete and practical strategies for teachers to implement in their own classrooms to address chronic absence and improve the attendance of all students, including a framework for implementation, sample lesson plans, examples, and reproducibles for reinforcement systems, talking points for use with students and families, real-world examples of successful classroom-based approaches, handouts for parents on establishing routines, dealing with technology, and more. When teachers apply the easy-to-implement and minimally invasive presented, they will see significant improvements in student attendance. This book is a copublication of ASCD and Ancora Publishing.

Managing an Early Childhood Classroom Wendy Koza, Jodene Smith, 2009-07-22. Create and manage an effective and developmentally appropriate early childhood classroom. Filled with management suggestions and recommendations for young children's development, this guide provides ready-to-use lessons and templates to enhance learning.

The Teachers' Aid, 1906

The Organized Teacher's Guide to Substitute Teaching Steve Springer, Kimberly Persiani, 2012-05-06. Have no fear, the

substitute is here Be prepared with the confidence and the knowledge for any classroom situation As a substitute teacher you have the powers of a superhero Who else could teach sixth grade math one day and then transform into a sub for the kindergarten gym instructor the next What other educator bravely goes into work not knowing what subject or grade he or she will teach that day and still manages a smile But even superheroes need a little help that is where this book comes in The Organized Teacher s Guide to Substitute Teaching is the only guide that gives you the tips and strategies to not only survive a day of strangers but actually create an impact in the classroom Appropriate for grades kindergarten through six this bible for substitute teachers will get you through the entire school day even if the regular teacher did not leave lesson plans Among hundreds of valuable ideas The Organized Teacher s Guide to Substitute Teaching offers A guide to making your own Substitute Teacher Tool Kit filled with items you will need throughout your day In depth information about each grade level so you know what to expect no matter what class you re assigned Core curriculum activities writing assignments and projects specifically targeted to each grade level Sponge activities games and fillers designed to help you fill the time until class transitions or before the end of the day Advice on how to keep calm and in control even if students try to test your limits An interactive CD ROM with ready to print templates and worksheets
