Stanford ,2006 *Video Production* James C. Foust,Lynne S. Gross,Thomas D. Burrows,2004-06 This text introduces students to the operations underlying multiple camera video production It covers the basics of television production with an emphasis on studio production With a primary focus on equipment and techniques used by students this book also covers more advanced equipment and professional techniques This book adds information about preparing video material for the Web and for DVDs updates on HDTV further detail on graphics construction expanded coverage of non linear editing and more Back cover [The New York Times Magazine](#) ,2009 [Faith and Spirituality in Masters of World Cinema](#) Kenneth Robert Morefield,2008 Faith and Spirituality in Masters of World Cinema is a fascinating introduction to spiritual aspects in the works of some of the greatest filmmakers in the world like Bergman Dreyer and Tarkovsky Avant Garde director Pedro Costa and Hollywood s golden boy Guillermo del Toro It covers directors from around the world and shows diverse manifestations of spirituality in film everything from how camera movements can imply spirituality to specific religions like Islam and Christianity Faith and Spirituality in Masters of World Cinema is a welcome addition to a growing library on religion and film Thorkell Ottarson The essayists in Faith and Spirituality in Masters of World Cinema offer provocative studies of the often uneasy relationship that exists between religion and film faith and reason They never shy away from their critical burden challenging readers to delve deeply and think more forcefully about the ethics and values that shape our culture and our lives Faith and Spirituality in Masters of World Cinema dares us to reconsider what it means to be whole and holy across the great history of film It is a spiritual and critical journey of the highest magnitude Dr Kenneth Womack Chair of the English Department Penn State University at Altoona Not many works of art would withstand the rigorous examination of the kind in this collection but Kenneth Morefield and his contributors have chosen well They ve chosen filmmakers whose work not only withstands but seems to grow under the bright light of careful consideration I m not familiar with all of them which makes the collection a useful map to the currents that run below their surfaces but I also found new ways to appreciate Pedro Costa and the Dardenne brothers whose films I ve admired even loved but never thought about in quite this way Reading the essays together I discovered that this group of filmmakers while distinct in their beliefs approaches and aesthetics are all striving to reawaken our senses and by capturing something concrete they re looking for something

invisible That they've found so many ways to do this from Del Toro's physically rooted fantasy to Costa's material world proves that cinema may not be dead just yet even with the twentieth century in the rear view mirror Rob Davis chief film critic of Paste Magazine co-founder of Daily Plastic www.dailyplastic.com **Business Week**, 2007 *Adaptive Space: How GM and Other Companies are Positively Disrupting Themselves and Transforming into Agile Organizations* Michael J. Arena, 2018-06-15 Lack of Agility is the kiss of death Position your company to succeed in world of change To edge out the competition in today's disruptive environment you need to ensure that your company is agile that it can respond to change instantly and effectively Because fast and furious change is the only thing you can count on in business today Network expert Michael Arena helped enable GM's legendary turnaround In these pages he explains how you can transform your own company through the concept of adaptive space Based on hundreds of interviews and the author's own groundbreaking study of dozens of organizations spanning a variety of industries Adaptive Space shows how to position your company for today and for the future by enabling creativity innovation and novel ideas to flow freely among teams across departments and throughout the company Using GM as the main case study along with the stories of other highly adaptive organizations like Apple Amazon Disney and Gore Arena provides a model you can follow to reinvent your company It's about inspiring employees to explore new ideas empowering the most creative people and teams to spread their ideas across the organization and operationalizing the entrepreneurial spirit so adaptability is set in stone Hesitation is a killer in today's business landscape With Adaptive Space you have everything you need to confront disruption with smart confident actions and seize the valuable opportunities that come with change *Documentary*, 2006 **Chain Store Age**, 2010 **The Membership Economy** Robbie Kellman Baxter, 2015-03-20 The membership business models of Netflix Weight Watchers and other industry giants revealed and how you can use them to lead your company to the top of the food chain For decades consumers and businesses have joined clubs bought products and accessed services using a subscription model But it has only been in recent years that the model has been transformed and perfected through massive changes in technology The Membership Economy shows how nimble companies that focus on ongoing formal relationships over one time transactions are thriving By renting lending or offering access instead of just ownership organizations can leapfrog industry leaders In terms of strategic business models this is one that allows for breakthrough growth With great case studies from American Express LinkedIn CrossFit SurveyMonkey and more this book will show you how to radically rethink how your organization can build loyalty viral growth and recurring revenue
