pathos and political stridency Often Z brana s own voice segues into those of poets he had translated over the years leaving only a bare shimmer of subjectivity humorous oblique pained with which to view his own works and days The poems document a splendid and bitter isolation and are immersed in the humor hatreds and loves of the everyday Published in Czech in the ill fated year of 1968 they subsequently fell into neglect After the fall of Communism in 1989 Z brana s collected poems and selected diaries were published in Czech and he was acclaimed as a major twentieth century writer Now with this collection he can begin to reach English language readers for the first time Bohumil Hrabal. A Full-length Portrait Jiří Pelán,2019 Described as one of the great prose stylists of the twentieth century Bohumil Hrabal ranks among the most important and widely translated Czech authors Ji Pel n a respected scholar of Czech French and Italian literature approaches Hrabal as a comparatist expertly situating him within the context of European and world literature as he explores the entirety of Hrabal s oeuvre and its development over sixty years Praised for its concise clear and readable style Bohumil Hrabal A Full length Portrait offers international readers an important Czech perspective on the world class author Contains 32 photographs of Bohumil Hrabal a list of his works English translations to date and a bibliography of international scholarship Vladislav Vančura Rajendra A. Chitnis,2007 This is the first major analytical study in English of the work of the leading Czech Avant garde novelist and dramatist Vladislav Vancura often regarded as the greatest exponent of the Czech language in prose In the study Vancura s paradoxical attitude to contradictions which he seeks simultaneously to overcome and to preserve is used as a key to understanding his writing and its often ambivalent critical reception His major works are considered in the context of art and medicine Poetism and Proletarian art Bergson and Marx collectivism and non conformism judgement and forgiveness and the Renaissance and modern human being The author seeks thus to place Vancura at the heart of Czech literature s preoccupations and aspirations in the inter war period **The Violexchange** ,1986 **Billboard** ,1975 **Vertical Foreclosure** ,2008 Serials in the British Library ,2007 *Catalog of Copyright Entries* Library of Congress.
