Global Cultural Immersions in Learning for a Sustainable Future Bradley, Tony, Chetti, Prasad, Sharma,

Manjari,James, Blesson Varghese,Babu, Sneha,2025-09-25 Education is a critical driver for addressing global issues such as climate change inequality and environmental degradation Cultural immersion programs that align with the Sustainable Development Goals SDGs help learners develop intercultural competence global awareness and a deep commitment to sustainability These initiatives encourage practical decision making rooted in diverse cultural environmental and social values By engaging with indigenous knowledge community based practices and scalable technologies such programs foster inclusive locally grounded solutions to global problems Ultimately they empower individuals and institutions to contribute meaningfully to a more just resilient and sustainable world Global Cultural Immersions in Learning for a Sustainable Future highlights the transformative potential of experiential learning demonstrating its ability to integrate cultural environmental and social values into practical decision making By presenting theoretical frameworks case studies and actionable strategies it provides tools to design and implement impactful cultural immersion initiatives Covering topics such as cross cultural community development global citizenship and urban narratives this book is an excellent resource for academicians educators policymakers corporate leaders students researchers and more Hotel Operations Management David K. Hayes,Jack D. Ninemeier,Bjorn Hanson,2025-03 Managers in various departments of a full service hotel hold complex challenging and rewarding positions in the hospitality industry As their hotels on site leaders general managers GMs are responsible for ensuring that every department in their hotel operates smoothly and attains its financial as well as many other goals while meeting their guests needs and optimizing their property s value This fourth edition of Hotel Operations Management has been expanded and revised to help present and future GMs do just that Historically those selected as GMs have had experience in a hotel department such as when an excellent director of sales and marketing receives a promotion to the GM position In this example the new GM will no doubt have an excellent grasp of hotel sales and marketing but will likely lack extensive expertise in food and beverage housekeeping accounting and other critical operational areas Hotel Operations Management Fourth Edition provides important information for individuals such as these Just as an orchestra s conductor will not likely be an expert player of each musical instrument in the orchestra hotel GMs will not have the detailed technical expertise of those managing every department within their property However one key goal of this book is to help GMs learn information necessary to properly supervise and monitor the activities of each department for which they are responsible To illustrate consider the simple case of carpet stains in a guest room corridor This book will not detail the best procedures for removing the stains which is the responsibility of the housekeeping department personnel However the GM must monitor the effectiveness of the housekeeping department and ensure it has the funding supervisory personnel cleaning products and equipment required to keep the carpets clean This book is then a compilation of many of the skills and the knowledge required to effectively supervise activities in a midsize full service hotel that offers a variety of food and beverage services
