Human Resource Management 15th:

Human Resource Management, 15e Gary Dessler, Biju Varrkey, Human Resource Management provides students with the daily tools and skills they need to function as successful managers in both human resources and business in general. With a practical approach, the text explores the evolution of the field, highlighting the introduction of revolutionary new technologies and social media platforms such as LinkedIn and cloud computing. The fifteenth edition focuses on the positive impacts technology has had on the HR field. The ability to vet potential employees on the Internet shifts more HR responsibilities to managers, leaving HR departments with more time to carry out strategic long-term endeavours for boosting employee performance and engagement. With a heavy focus on emerging industry trends, the text prepares students with everything they need to be successful managers and HR personnel in the 21st century. Human Resource Management Ronan Carbery, Christine Cross, 2018-11-10. This contemporary global and engaging textbook covers all the core HRM topics. Providing a succinct overview, it gives you the tools to engage your students in critical thinking and to develop their employability skills. Rich in pedagogy, features like HRM in the Global Business Environment and HRM and Organizational Performance prepare your students for the modern workplace. Video interviews offer a practitioner perspective, allowing students to relate theory to practice, while HRM in the News boxes shine a light on current issues such as lawsuits against ridesharing company Uber. The second edition of this popular textbook is compulsory reading for HRM courses at both undergraduate and postgraduate level. Accessibly written but also offering depth and rigour, it is appropriate for a wide range of courses. New to this Edition: Fully revised and updated learning features including two brand new features: HRM and Organizational Performance and HRM in the Global Business Environment. A new chapter on human resource analytics. New video interviews including major multinational companies. New international content brings in a global perspective. Accompanying online resources for this title can be found at bloomsburyonlineresources.com/human-resource-management-2e.
