**The Discourse of Customer Service Tweets** Ursula Lutzky, 2021-10-21 The Discourse of Customer Service Tweets studies the discursive and pragmatic features of customer service interactions making use of a corpus of over 1.5 million tweets from more than thirty different companies. With Twitter being used as a professional service channel by many transport operators, this book features an empirical analysis of British and Irish train companies and airlines that provide updates and travel assistance on the platform often on a 24/7 basis. From managing crises in the midst of strike action to ensuring passengers feel comfortable on board, Twitter allows transport operators to communicate with their customers in real time. Analysing patterns of language use as well as platform-specific features for their communicative functions, Ursula Lutzky enhances our understanding of customers' linguistic expectations on Twitter and of what makes for successful or unsuccessful interaction. Of interest to anyone researching discourse analysis, business communication, and social media, this book's findings pave the way for practical applications in customer service.

**Social Media Success Formula** Yuvraj Mallick, 2025-02-20 Social Media Success Formula explores the vital role of social media in marketing. We delve into how blogs and social networks have become more affordable and accessible and how they are evolving to be more user-friendly. This book introduces the concept of Word of Mouth (WOM) marketing, highlighting its powerful impact on customer acquisition compared to traditional event marketing. We discuss the importance of hashtags and sharing on platforms like Twitter, Instagram, Snapchat, and Facebook in creating significant buzz. Whether positive or negative WOM can shape the fate of any organization. Our comprehensive guide helps you design effective online marketing strategies through social Word of Mouth (sWOM). We provide a detailed framework and practical tips to build a sustainable WOM environment. Through current case studies, best practices, and actionable advice, we deliver smart social media plans and cost-effective tactics you can deploy immediately. Our book also covers the role and influence of social consumers in WOM and addresses the impact of negative WOM. Social Media Success Formula is essential for marketing academics, students, researchers, and practitioners seeking insights into eWOM, sWOM, and the future of marketing.
