Streaming Music, Streaming Capital Eric Drott,2023-12-29 Eric Drott undertakes a wide ranging study of the political economy of music streaming to engage in a broader reconsideration of music s complex relation to capitalism

Creating the Reflective Habit Michelle Lucas,2023-06-12 Reflection is a critical skill which can enhance the quality of our professional and domestic lives Yet in a world of busy reflective practice often falls to the bottom of the list We are not alone in the struggle to use the pause button well This book is here to help The book offers a practical toolkit which shows you how to create a sustainable reflective habit We begin by exploring the meaning and territory of reflection drawing from the literature to provide context and understanding The following chapters contain prompts and exercises which will appeal to different processing preferences The intention throughout this book is firstly to show that reflection means so much more than journaling and secondly to encourage an appetite for experimentation that results in a desire to reflect on a regular and sustainable basis We invite you into an immersive experience playing with the multitude of reflective possibilities on offer It is only through repeated trial and error enlightenment and frustration that we will come to create our own reflective habit Written by a coach and coach supervisor this practical book is an invaluable resource for helping practitioners but will also be immensely helpful to anyone and everyone who wants to get their pause button in good working order The book also provides Learning Development professionals with a suite of tools and materials to help build the reflective practice skill set in their organisation

Devaluing Public Apologies in the Age of Social Media Joshua M. Bentley,2024-12-15 Devaluing Public Apologies in the Age of Social Media argues that apologies are losing their meaning because people treat them as strategical tools while ignoring their ethical implications Recent apologies by celebrities politicians and brands are examined to show how apologies need to be rooted in values to be effective

Rethinking Free Speech Peter Ives,2024-11-12T00:00:00Z Clashes over free speech rights and wrongs haunt public debates about the state of democracy freedom and the future While freedom of speech is recognized as foundational to democratic society its meaning is persistently misunderstood and distorted Prominent commentators have built massive platforms around claims that their right to free speech is being undermined Critics of free speech correctly see these claims as a veil for misogyny white supremacy colonialism and transphobia concluding it is a political weapon to conserve entrenched power arrangements But is this all there is to say Rethinking Free Speech will change the way you think about the politics of speech and its relationship to the future of freedom and democracy in the age of social media Political theorist Peter Ives offers a new way of thinking about the essential and increasingly contentious debates around the politics of speech Drawing on political philosophy including the classic arguments of JS Mill and everyday examples Ives takes the reader on a journey through the hotspots of today s raging speech wars In its bold and careful insights on the combative politics of language Rethinking Free Speech provides a map for critically grasping these battles as they erupt in university classrooms debates around the

Strategies and systematic implementation of innovation management for sustainable business success Dennis Maurer, 2016-08-16 Seminar paper from the year 2016 in the subject Business economics Business Management Corporate Governance grade 1 0 EBC University D sseldorf language English abstract Forming new businesses entering new markets and increasing organizational effectiveness occurs through the innovation and transformation processes Corporations must be able to adapt and evolve if they wish to survive The ability to innovate is a source of sustainable competitive advantage However how is it possible for a company to breed innovation into the very bones of an organization so that it becomes an ongoing managed phenomenon Is innovative thinking independent of external circumstances Or is there any method to its creativity And what would an innovation model look like The importance of innovation in regards to a businesses value is without a doubt the most meaningful and perhaps most essential aspect of a company Innovation pays dividends for shareholders it drives growth and

differentiation motivates employees opens new markets and captures customers attention all while using much lower advertising budgets One company that has clearly done something right in the past is Google This company is a symbol for integrative IT infrastructures and restructuring business architecture through experimentation improvisation analytical decision making participative product development and other noteworthy modes of innovation It uses an evaluation of ideas with an admittedly chaotic ideation process and a set of accurate data driven methods Google s culture fascinates even the brightest technical expertise It has developed or acquired an array of new offerings to augment the core search product Its expansion profitability and shareholder equity are at unmatched levels It has been the designer or a leading exponent of new paths to business and management innovation These are the main reasons why Google is a great allegory of innovation and a profound example of a successful integrated innovation management approach The purpose of this essay based on Adapa Srinivasa Rao s case study Corporate Entrepreneurship and Innovation at Google Inc is to build a bridge between the company s methods and the theoretical framework that abstractly enables and drives innovation in the corporate environment
