*Slut Narratives in Popular Culture* Laurie McMillan, 2024-08-19 *Slut Narratives in Popular Culture* explores representations of slut shaming and the term slut in U S popular media 2000 2020 It argues that cultural narratives of intersectional gender identities are gradually but unevenly shifting to become more progressive and sex positive Moving beyond prior research on slut shaming which exposes problematic connotations between women s morality and a sexual purity associated with White economic privilege this book examines how narratives that perpetuate slut shaming are both contested and reinscribed through stories we circulate It emphasizes effects of twenty first century developments in digital communication and entertainment The rapid evolution of genres combined with increased access to the consumption and production of texts stimulates more diverse storytelling The book s analyses demonstrate twenty first century changes in how slut shaming is depicted and understood while encouraging consumers and producers of pop culture

to attend to cultural narratives as they reify or challenge the subordination of vulnerable populations Aimed primarily at an academic audience this book will also engage general readers interested in intersectional feminism pop culture new media digital technologies and sociolinguistic change Readers will become more adept at deconstructing assumptions embedded in popular media especially narratives informing slut shaming
