COVER LETTER

Dear Hiring Manager,

I have always followed Google's mission to organize the world's information and make it universally accessible and useful. As a product manager, I am excited to bring my experience in user-centric product development to Google, where I can contribute to the company's mission and make a meaningful impact on the world.

In my previous role at ABC Company, I spearheaded a comprehensive strategy review that aligned product development with customer market needs, resulting in a successful repositioning of the product line. This initiative not only increased user engagement but also led to a 15% growth in revenue. By establishing a data-driven decision-making process, my efforts resulted in a 20% improvement in user retention and ultimately contributed to a substantial cost saving of \$1 million.

I am eager to bring my track record of thoughtful product strategy and complex problem-solving to Google, where I can continue to grow and contribute to the company's mission. I am looking forward to discussing how my skills and experience align with the needs of your team and how I can contribute to the success of your organization.

Best Regards,

Johnatan Wright
