Devereaux, Clarice M. Moran, 2022-04-19 CO PUBLISHED BY ROUTLEDGE AND THE NATIONAL COUNCIL OF TEACHERS OF ENGLISH. This innovative book explores how digital language and tools can be used to teach applied grammar in the classroom. With a spotlight on internet language, Crovitz, Devereaux, and Moran demonstrate how students can practice rhetorical grammar with digital tools in order to use language purposefully. With an abundance of original strategies, prompts, and questions that tap into students' existing skills, the book is designed to help students build a meta-awareness of language through critical digital literacy. Drawing on examples and activities from TikTok, Twitter, memes, texting, online videos, digital media, and more, chapters feature lesson plans centered around real-world digital scenarios that will engage and inspire students. Ideal for preservice and inservice English teachers, this book offers a blueprint for helping students use and evaluate language in the digital world and includes practical suggestions for using technology and rhetorical grammar to engage with and compose digital texts. **The School Library Manager** Blanche Woolls, Joyce Kasman Valenza, April M. Dawkins, 2023-06-15. The seventh edition of this comprehensive school library management text expands upon the role of the school librarian, especially in the ever-growing digital realm, and highlights the importance of school librarian leadership and outreach. In an era of budget cuts, reduced staffing, and a global pandemic, it's more important than ever for new LIS professionals and established school librarians and administrators to demonstrate the value of school libraries to decision makers. This revised and updated edition of a classic text adds two well-known authors to help lead readers through the many essential management tasks and skills required to administer the successful school library program. It emphasizes the importance of the school librarian in providing digital access to information for teachers and students, describes how facilities are being modified to accommodate new resources and programming, and offers new ways to use AASL standards to evaluate programs. All chapters are updated, and the text addresses such timely subjects as providing information resources when students, teachers, and librarians are interacting.
