Apple Music Best:

Focus On: 100 Most Popular Billboard Mainstream Top 40 (Pop Songs) Number-one Singles Wikipedia contributors, **Body of Work** Keith Jopling, 2026-02-10 An alternative history of the album focussing on the format s turbulent life through the digital music era since 1999 through to today Body of Work explores why we should still bother to listen to music in 40 minute chunks Since 1999 the album has been declared dead more times than we can count yet it refuses to disappear Body of Work traces its turbulent journey through the digital era and asks why listening in forty minute chunks still matters Weaving insider accounts with cultural history and personal reflection Jopling tells the story of the album s unlikely survival From bloated CD culture to Napster s atomization from Apple s unbundling to Spotify s shuffle wars and Adele s famous intervention the album has not only endured it has re emerged stronger than ever Body of Work makes the case that the album remains the perfect vessel for the art of song the format every artist aspires to even after decades of digital disruption As producer and artist Jack Antonoff Bleachers put it the album is God It is the defining artform of popular music and it always will be

Making Great Strategy Glenn R. Carroll, Jesper B. Sørensen, 2021-01-26 Making strategy requires undertaking major often irreversible decisions aimed at long term success in an uncertain future All leaders must formulate a clear course of action yet many lack confidence in their ability to think systematically about their strategy They struggle to apply the abstract lessons offered by conventional approaches to strategic analysis to their unique contexts Making Great Strategy resolves these challenges with a straightforward readily applicable framework Jesper B Sørensen and Glenn R Carroll show that one factor underlies all sustainably successful strategies a logically coherent argument that connects resources capabilities and environmental conditions to desired outcomes They introduce a system for formulating and managing strategy through a set of three core activities visualization formalization and logic and constructive argumentation These activities can be implemented in any organization and are illustrated through examples and case studies from well known companies such as Apple Walmart and The Economist This book shows that while great strategic thinking is hard it is not a mystery Widely applicable and relevant for managers and leaders at all levels especially executive teams charged with setting the course of their organizations it is essential reading for anyone faced with practical problems of strategic management
