101 Best Cover Letters Michael Betrus, Jay A. Block, 1999-04-22 Beat out the competition for the best jobs Create an image of accomplishment professionalism and competence that today s employers are begging for Job seekers have paid hundreds of dollars for the expertise in these dynamic guides and regarded every cent as well spent With these job landing tools on your desktop you ll have the same savvy working for you for far far less with the same great results 101 Best Resumes packs tried and proven advice you ll use to Create a resume that gets you in the door Target your resume for a specific positions over 70 different categories are covered Experiment with traditional and new formats More 101 Best Cover Letters shows you how to put together compelling letters to accompany your resume Learn how to Ignite interest with the first two sentences Turn references into endorsements Send your cover letter online Pick up smart interviewing tips negotiate a higher salary use the Internet in your job search work with recruiters and much much more **Cover Letters For Dummies** Joyce Lain Kennedy, 2009-01-06 Cover letters are alive and sell When they re written right that is To stand out in today s sea of qualified job seekers learn to craft riveting new breeds of cover letters create vibrant images online and discover sensational self marketing documents you never imagined This completely revised and updated 3rd Edition of Cover Letters For Dummies brings you all this plus over 200 great new samples by 62 successful professional cover letter resume writers You ve probably suspected that passive and sleepy cover letters merely hugging resumes won t get you where you want to go Especially in a shaky job market The verdict s in Since the last edition of Cover Letters For Dummies blazing fast change in tools technology and how hiring managers come calling and how we invite them to look us over means big dramatic changes in our job messages In this exceptional handbook of contemporary job messages you ll discover fresh ways of thinking about cover letters that captain an entire team of new style job messages *How To Write Amazing Cover Letters* The Hyperink Team, 2012-02-12 ABOUT THE BOOK If a resume is a window into your past work experience a cover letter is the tool you use to install it Cover letters were once just an after thought something most people used to simply regurgitate their resumes In fact it wasn t until the last decade that cover letters gained wide acceptance and importance Today not only is the cover letter just as important s a resume it can be the deciding factor in whether a hiring manager looks at your resume or throws it in the trash But how do you write the kind of amazing cover letter that will get you in the door How can you create a narrative of your professional experience that makes the HR person sit up and take notice The key is knowing how to present yourself It does not matter if you ve spent 30 years in the work force or are just entering it the fact remains that you need to learn to how convince someone else to interview you MEET THE AUTHOR The Hyperink Team works hard to bring you high quality engaging fun content If ever you have any questions about our products or suggestions for how we can make them better please don t hesitate to contact us Happy reading EXCERPT FROM THE BOOK You ve probably figured out a few mistakes to avoid already but you d probably be surprised at what many employers are turned off

by when reading cover letters Lack of proofreading This is a no brainer but many people often miss them or don't bother to spell check before sending out the cover letter and resume It's always a good idea to ask a friend or family member to check your letter for spelling errors and typos to give you a fresh perspective Not including the name of the hiring manager If you don't know who is going to read your cover letter and resume try to find out When in doubt call the company and ask who the person in charge of that department is so you can target your letter appropriately Not writing to an audience Focus each letter on each employer According to Career Builder 44 percent of executives polled said it's common for applicants to use their cover letters to show they've learned more about the job Doing so can give you an edge against the competition Failing to sell yourself If you undersell your skills and qualifications you won't make an impression on the reader Don't just talk about your accomplishments give concrete examples Regurgitating the resume Cover letters weren't meant as a tool to repeat everything that's in your resume It's a tool to build on it and an opportunity to correlate your experience with the job you're applying for Include any training classes awards and recognition you've received in the past that might give you an edge over the competition Buy a copy to keep reading *201 Killer Cover Letters* Sandra Podesta, Andrea Paxton, 1995-12-22 *201 Killer Cover Letters* provides job seekers with an unbeatable competitive edge by arming them with surefire sample letters for every job hunting situation **The Guide to Basic Cover Letter Writing** Public Library Association, Editors of VGM, 2003-09-22 A solid well-written cover letter is crucial to getting a job interview Written under the auspices of the Job and Career Information Services Committee of the Public Library Association a group of librarians with many years of collective experience in researching and providing job assistance information this practical guide provides easy to follow instruction in crafting outstanding cover letters for any type of position Completely updated it features guidance in job seeking effectively online and the best ways to showcase experience with the latest technologies *Get It Done: Write a Cover Letter* Jeremy Schifeling, 2018-09-25 Want to write the perfect cover letter But don't have time to read through a 300 page book first Then *Get It Done* is for you Here's why it's been a Kindle best seller for six years in a row 1 It's fast The whole book takes about 30 minutes to read 2 It's to the point It breaks the cover letter down to 12 parts and gives you a precise template to complete for every single step 3 It works I developed this system while serving as a Recruiter for Teach For America I've since taught it to MBAs as a Career Coach at the University of Michigan leading to job offers from Apple GE Microsoft Amazon LinkedIn and Google And the system has even been featured in U S News I was just another piece of paper in the deck Jeremy's beneficial insight to the cover letter was against my traditional understanding His direct nature and step by step guidance proved to be beneficial in my search I was able to go through the book and develop a brand new cover letter from scratch in less than an hour Given the price of the book and the time it takes to go through there is absolutely no excuse why you shouldn't buy it right now and start fresh in conveying your background to your next employer LJ If you like me hate writing cover letters then this book is for you Before reading this book I was not even using cover

letters because I thought they didn't matter and I didn't know what to say I just sent as many resumes as possible to as many job postings as possible This book changed my life It convinced me no doubt one of the most shameless no cover letter resume spammers out there to stop and write a cover letter Plus Schifeling lays out a series of clear quick steps that make it easy and anxiety free Jane E Nevins What you'll get A sample cover letter using the exact same approach that the author and hundreds of others have used to land jobs from Amazon to Zynga A cover letter template that's broken down into step by step chunks making it easy to apply to your own application The definitive cover letter format that recruiters and hiring managers prefer based on actual recruiting and hiring experience
