**Modern Strategy** Colin S. Gray, 1999 Modern Strategy explains how strategic reasoning makes sense of the great complexity of war on land at sea in the air in space and even cyberspace [Understanding Contemporary Strategy](#) David J. Lonsdale, Thomas M. Kane, 2012-03-12 Understanding Contemporary Strategy provides an accessible and comprehensive introduction to the theory and practice of modern strategy Covering all the main issues in the field the book explores the major themes through a combination of classical and modern strategic theory history and current practice The book is split into three main sections Definition and Context including discussion of the human technological intelligence ethical and grand strategic dimensions Strategy in the Geographic Environments land sea air and space Contemporary Strategic Challenges terrorism insurgency and nuclear strategy Each chapter presents the reader with a succinct summary of the topic but also provides a challenging analysis of current issues supporting students with pedagogical features such as suggested further reading boxed case studies and study questions This book will be essential reading for upper level students of strategic studies war studies military history and international security [The Future of Strategy](#) Colin S. Gray, 2015-10-12 Strategy is not a modern invention It is an essential and enduring feature of human history that is here to stay In this original essay Colin S Gray world renowned scholar of strategic thought discusses the meaning of strategy and its importance for politicians and the military as a means of achieving desired outcomes in complex uncertain conditions Drawing on a wide range of examples from the Great Peloponnesian War to the Second World War Vietnam and the ongoing conflicts in Iraq and Afghanistan Gray ably shows how great military thinkers of the past and present have acted strategically in their various ideological political geographical and cultural contexts Looking to the future he argues that strategy will continue to provide a vital tool kit for survival and security but that the global threat posed by nuclear weapons remains an on going challenge without obvious practical solutions As Gray boldly asserts there is no promised land ahead only hard and dangerous times that will require us to master the theory and practice of strategy to secure our own future [Reflections on War](#) Ian Liebenberg, 2012-10-01 Reflections on War is a comprehensive and objective investigation into the problems of war The book explores the crucial link between theory strategy and objectives in war taking all the evidence and theory into account and should be of interest to military practitioners specialists in defence studies and others interested in military history Also notable about the work is its ability to draw insights together from international legal theory management sciences history sociology and the political economy of war showing due respect for the moral complexities involved in waging war

**Professional Journal of the United States Army**, 2014 **Strategy and History** Colin S. Gray, 2007-01-24 This book comprises some of the most important contributions to the strategic debate over the past thirty years by a leading theorist and practitioner [Military Review](#), 2014 [Theory of Strategy](#) Colin S. Gray, 2018-05-11 This book provides a short and accessible introduction to the theory of strategy examines the general theory of strategy in accordance with 23 key Principles

and explains its nature functions and intended consequences Theory of Strategy makes the radical argument that the familiar structure of strategy s general theory political ends strategic ways military means and assumptions holds as sound for security at all times and in all places of human necessity Strategy is ever varying in its character but not in its nature which is unchanging The Times Index ,2001 Indexes the Times and its supplements **Journal of International Affairs** ,2000 **Naval War College Review** ,2001 *Contemporary Essays* ,2004 **Review of International Studies** ,1999 **The Indonesian Quarterly** ,2008 **The U.S. Government and the Vietnam War: 1945-1960** William Conrad Gibbons,1989 This is a study of U S government policymaking during the 30 years of the Vietnam war 1945 75 beginning with the 1945 1960 period Although focusing on the course of events in Washington and between Washington and U S officials on the scene it also depicts major events and trends in Vietnam to which the U S was responding as well as the state of American public opinion and public activity directed at supporting or opposing the war Preface **Arms and Politics, 1958-1978** Robin Ranger,1979 **Proceedings of the United States Naval Institute** United States Naval Institute,2013 *Naval War College Review* Naval War College (U.S.),1997 *The U.S. Government and the Vietnam War* William Conrad Gibbons,1994 *Social Text* ,2006
