J. Henderson,2016-05-14 Lucy Ripken is 30 something single and struggling to make it as a photographer in New York City Smart tough and fiercely protective of her friends and privacy all Lucy really wants is a life of travel and adventure and maybe a devilishly handsome bad decision to share it with She finds all three in *Murder on Naked Beach* the first novel of this sizzling new mystery series It was supposed to be a relaxing vacation but it isn t long before there s a corpse in a hot tub and a killer on the loose The company line claims the victim died of a heart attack but Lucy s not buying it It isn t long before her sleuthing leads her way off Jamaica s beaten tourist path and straight into danger drug smuggling and into the crosshairs of a sexy and suspicious DEA agent With *Murder on Naked Beach* author J J Henderson introduces us to a sassy and sexy new sleuth in this suspenseful and sharply funny novel **The State Trooper** ,1927 *Hardcastle's Burglar* Graham Ison,2015-10-14 It is June 1916 four weeks before the opening day of the disastrous Battle of the Somme Hardcastle is sent to Kingston upon Thames to investigate the murder of Colonel Sir Adrian Rivers a retired and distinguished soldier The colonel s second wife Muriel seems neither distressed by the murders nor able to assist in the investigation It is up to the dogged Hardcastle aided by DS Charles Marriott to question an array of characters and narrowly avoid being killed in a Zeppelin raid before the killer is eventually unmasked **Mystery Women, Volume Three (Revised)** Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their

settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 *People v Silver*, 466 Mich 386 (2002), 2002 117024 Opportunity, 1926
