probably can as well So what you have here is a selection of the most interesting articles I've written over the past couple years All I hope is that they will help make a long plane ride a little bit shorter and just maybe give you some new perspectives on design EXCERPT FROM THE BOOK User Experience is a term you hear thrown around a whole lot lately For some people it means the way a site looks and feels for others it's all about a site's architecture but for most of them it's just an empty buzzword that doesn't mean anything at all User experience is all that and much more It literally is what users think and feel while using your product UX Is Everywhere If your site has a painless sign up process that's part of the user experience If your site uses gorgeous photos that's part of the user experience If your site is unbearably slow that's UX too And if your site is perfect but there's a bug in your code and you end up charging people twice as much for your product well guess what that's also part of their very bad user experience So user experience design can include web design photography speed optimization coding to say nothing of copywriting branding security interaction design or information architecture We're All User Experience Designers It logically follows that someone who calls himself a user experience designers should be involved in every one of those aspects But instead actual user experience designers usually come in during the early stages of a project and use wireframes and prototypes to plan out design architecture and interactions Don't get me wrong I'm not saying it's not a real job But I feel like it should be called something else like maybe Prototype Designer or User Experience Consultant if the person comes in at a later stage to analyze an existing site In my mind the title of User Experience Designer does not belong to a single person Instead it should be embraced by everybody contributing to the project whether they are a designer coder photographer writer or systems administrator Because after all their work is what ultimately defines the user's experience Can You Add More UX to It Why is that important at all Isn't all this just a question of semantics Well yes it is But bad semantics lead to bad communication and that in turn leads to bad results It's not uncommon to hear clients asking if you do UX or asking a designer if they focus on UX UX soon becomes an empty buzzword that can mean whatever the client wants it to mean User Experience Professionals have done a great job of promoting UX as a concept But I feel it's now time that designers reclaim that term and make it clear that UX is not a mysterious new idea but instead part of what every designer does every day Buy the book to read more CHAPTER OUTLINE Introduction Introduction Coders Who Can't Design Designers Who Can't Code Does Design Really Matter for Start Ups Design Principles Design Principles Why There Is No Such Thing as a UX Designer Usability and the Lowest Common Denominator Why wireframes can hurt your project and much more and much more [Disruptive Innovation: The Christensen Collection \(The Innovator's Dilemma, The Innovator's Solution, The Innovator's DNA, and Harvard Business Review article "How Will You Measure Your Life?"\) \(4 Items\)](#) Clayton M. Christensen, Michael E. Raynor, Jeff Dyer, Hal Gregersen, 2011-07-19 Clayton Christensen's definitive works on innovation offered together for the first time Will you fall victim to disruptive innovation or become a disruptor yourself Tip the odds in your favor with the bestselling books that have made Christensen one of the world's foremost authorities on innovation You'll

also get his award winning HBR article full of inspiration for finding meaning and happiness in your life using the principles of business The 4 volume collection includes The Innovator s Dilemma When New Technologies Cause Great Firms to Fail In one of the most influential business books of our time Christensen introduced the world to the concept of disruptive innovation showing how even the most outstanding companies can do everything right yet still lose market leadership Don t repeat their mistakes The Innovator s Solution Creating and Sustaining Successful Growth Citing in depth research and theories tested in hundreds of companies across many industries Christensen and co author Michael Raynor provide the tools organizations need to become disruptors themselves The Innovator s DNA Mastering the Five Skills of Disruptive Innovators Christensen and coauthors Jeffrey Dyer and Hal Gregersen identify behaviors of the world s best innovators from leaders at Amazon and Apple to those at Google Skype and the Virgin Group to show how you and your team can unlock the code to generating and executing more innovative ideas How Will You Measure Your Life HBR article At Harvard Business School Clayton Christensen teaches aspiring MBAs how to apply management and innovation theories to build stronger companies But he also believes that these models can help people lead better lives In this award winning Harvard Business Review article he explains how exploring questions everyone needs to ask How can I be happy in my career How can I be sure that my relationship with my family is an enduring source of happiness And how can I live my life with integrity **15 Minutes of Fame** Frederick Levy,2008-06-03 How ordinary people become famous Everyone gets a shot at the spotlight Since its launch in 2005 YouTube has been a hub for users to upload and share their most interesting intimate exciting or embarrassing moments with viewers all over the world But how does one take advantage of YouTube s far reaching resources and get a video seen Here Hollywood producer Frederick Levy addresses the interests and needs of the casual YouTube user as well as the serious web enthusiasts and video makers who are looking to explore YouTube and its social and networking aspects in greater depth Loaded with advice from established Hollywood gurus who ve been there done that this is the must have guide for the wired and connected audiences of YouTube MySpace and Metacafe Readers will learn how to Upload videos from a mobile phone Capture video directly to the site from a Webcam Embed videos into personal web pages or blogs and much much more **Fresh Ideas In Promotion 2** Betsy Newberry,1996-01-03 The Fresh Ideas series shows the innovative quality work being done in graphic design today Each book features work from various designers and studios reproduced large and in full color Beyond inspiration readers will find inside information on each project including concept production techniques cost saving strategies and often costs **The Director** ,2008-08 **Tax Loopholes for eBay Sellers** Diane Kennedy,Janelle Elms,2006-03-02 Hundreds of Legal Deductions for eBay Sellers If you re an online seller take note now you can reduce or even eliminate the taxes you pay using the insider tips in Tax Loopholes for eBay Sellers You ll discover hundreds of little known completely legal tax deductions and reporting tips that are unique to eBay and designed to benefit small business owners Learn what the IRS is looking for when sorting out a real business from a hobby and why it
