

Ultimate Sleep Hacks

Put your phone down 2 hrs before bed. You'll thank us tomorrow, we promise.

Bust out the aromatherapy. And breathe in and out the zen vibes.

Use a weighted blanket. It's like getting tucked in with a giant hug.

Sleeping masks are equal parts fashionable and functional.

Try a white noise machine or sleep meditation to knock out in an instant.

Turn the TV off. That next episode will be just as good in the morning.

Get in the nighttime flow with some restorative yoga.

Save the intense workouts for earlier in the day. That adrenaline rush won't help you sleep.

Mom Hacks Darria Long Gillespie, 2019-02-19 100 self care hacks for any mom to eat right move more stress less and get a good night's sleep by a doctor who is also a mom Why is it generally accepted that motherhood comes at the expense of our health with all that weight gain fatigue and exhaustion It doesn't have to be that way What if your baby AND you could thrive together We cure diseases We create artificial ears using 3D printers We solved how to pee in space We can figure this out and now Dr Darria has done just that An Ivy league trained physician and mom of two Dr Darria combed the latest in medicine psychology and holistic health for answers when her own health crises struck She now brings those solutions to moms everywhere For moms who just Don't Have The Time or energy Mom Hacks gives you the specific smallest changes that yield the biggest impact for you and your child Every hack is a mini super charged solution with an immediate impact So you feel good lose the baby weight and are more present while raising thriving children in an entirely doable time saving with you in the trenches way Her humor and personal stories bring warmth and encouragement when mothers need it most You can be the mother and woman you want to be and with Mom Hacks you don't have to listen to anyone who tells you otherwise It's time for a new mom world order

Time, Law, and Change Sofia Ranchordás, Yaniv Roznai, 2020-04-16 Offering a unique perspective on an overlooked subject the relationship between time change and lawmaking this edited collection brings together world leading experts to consider how time considerations and social political and technological change affect the legislative process the interpretation of laws the definition of the powers of the government and the ability of legal orders to promote innovation Divided into four parts each part considers a different form of interaction between time and law and change The first part offers legal theoretical and historical perspectives on the relationship between time and law and how time shaped law and influences legal interpretation and constitutional change The second part offers the reader an analysis of the different ways in which courts approach the

impact of time on law as well as theoretical and empirical reflections upon the meaning of the principle of legal certainty legitimate expectations and the influence of law over time The third part of the book analyses how legislation and the legislative process addresses time and change and the various challenges they create to the legal order The fourth and final part addresses the complex relationship between fast paced technological change and the regulation of innovations
