Hamilton, 2020-07-16 THE authoritative guide for clinical laboratory immunology For over 40 years the Manual of Molecular and Clinical Laboratory Immunology has served as the premier guide for the clinical immunology laboratory From basic serology testing to the present wide range of molecular analyses the Manual has reflected the exponential growth in the field of immunology over the past decades This eighth edition reflects the latest advances and developments in the diagnosis and treatment of patients with infectious and immune mediated disorders The Manual features detailed descriptions of general and specific methodologies placing special focus on the interpretation of laboratory findings and covers the immunology of infectious diseases including specific pathogens as well as the full range of autoimmune and immunodeficiency diseases cancer and transplantation Written to guide the laboratory director the Manual will also appeal to other laboratory scientists especially those working in clinical immunology laboratories and pathologists It is also a useful reference for physicians mid level providers medical students and allied health students with an interest in the role that immunology plays in the clinical laboratory

Rural STEMM Education Research: Bridging between Uniqueness and Universality Guan Saw, Angela Starrett, Audrey Meador, Hobart Harmon, 2026-01-23 The opposition between uniqueness and universality in rural science technology engineering mathematics and medicine STEMM education research is an enduring feature of the field Theories and methods developed to be universally applicable are constantly adopted or reimaged in studying and understanding certain unique STEMM education phenomena or issues within and across rural contexts partly due to the vastness and variety that exists in what is labeled as rural and or STEMM education Research ideas and findings focused on a unique rural population or setting often can have universal implications for other rural and non rural populations or settings though not explicitly articulated in many publications Striving to be both unique and universal is a fundamental challenge yet has the potential to advance knowledge and practice in the field of rural STEMM education The overall goal of this Research Topic is to introduce and explore the ideas of rural focused and rural reimaged approaches in potentially bridging the gaps between uniqueness and universality in STEMM education research Rural focused theories and constructs e g place based education rural identity are centered around populations and issues in rural settings whereas rural reimaged theories and constructs e g urban rural spatial inequality social capital expectancy value beliefs are traditional theories and constructs that are reconceptualized to include rural perspectives in the studies This Research Topic seeks articles that examine both the uniqueness and universality of rural STEMM education and educational research utilizing rural focused and or rural reimaged lens or approaches We particularly welcome articles that address unique assets challenges needs opportunities and or lessons learned of rural STEMM education while being situated in a broader research discipline as well as articles that explore the commonalities and connections across study cases policies programs practices or contexts of rural STEMM

education This Research Topic invites theoretical methodological and empirical contributions addressing but not limiting to the following key topics Rural focused topics Defining rurality in STEMM education Defining STEMM in rural areas Place based STEMM teaching learning etc Rural STEMM identity belonging etc STEMM education in rural serving postsecondary institutions STEMM education for local workforce development Rural reimaged topics Urban rural spatial inequality in rural STEMM education Community cultural wealth in rural STEMM education STEMM funds of knowledge of rural learners Underrepresentation of rural students in STEMM education Intersectionality in rural STEMM education Critical policy analysis in rural STEMM education Communities of practice in rural STEMM education Research practice partnerships for rural STEMM education Articles need to define rurality for interpretation by international readers and describe the uniqueness and universality of the research topics theories methods findings and or implications in the context of rural STEMM education
