and what doesn't work so that you can embrace the former and avoid the latter and condense years of my time into just a few hours of your time. If you want to start fixing the problems with your fitness, your relationships, your businesses, and your focus, you will be challenged to find a better use of your time than spending it reading this book or listening to it if you purchased the audiobook format.

*Inspiring A More Equitable Society And Improving Family Life*  
Douglas B. Schaper, 2023-10-16. All of us confront too many challenges. How can we best meet them all? With three poems including *The Woman I Love* about the relationship between men and women in all societies, *Is This the Best We Can Do* about all of us and the world we make for our children, and another untitled, this book delves into the world humans, mostly under the aegis of maledom and its imperatives, have created for ourselves over the last ten thousand years. It does so with a distinctive style of writing that mimics the way we speak with one another. It also submits for consideration innumerable solutions for those challenges we all face together, including one for taxes where the first 50,000 of income for individuals is not taxed and for businesses the first 100,000 of income is not taxed. Ukraine, Gaza, Iran, North Korea, China, and many more, and almost all other domestic and foreign policies are explored, many from the author's personal experiences, from food to climate regulation to healthcare, education to development and infrastructure to environment.
