Gathering Tempest Eric O'Connor,2015-04-23 The Nephilim born from a forbidden union between fallen angels and human women were an abomination to God They were gigantic immensely strong and very war like Nephilim is a trilogy a story of redemption In book two Ray Bennett travels to Dallas a city from his recurring nightmares with his old football buddy Charles Mason who managed to become one of the worlds most powerful men since he last saw him Charles attempts to treat Ray to a weekend of excitement and debauchery but Rays thoughts keep returning to the woman and little boy he met and mysteriously fell in love with the day before Violence in Dallas and around the world are escalating quickly The Nephilim travels to Dallas to prepare for a ritual to open a doorway to hell and release Satan Ray meets a strange old man traveling with a young couple This man tells Ray his friend is more than who he says he is and that his nightmares are visions preparing him for battle He has been chosen by God as a warrior to stand against a half demon giant who walked the earth in biblical days

[Why Did Yahweh and His Son Yahshuah Say What They Said?](#) Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their

old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions **The Waiting Room** L. A. Marzulli,2026-03-03 Caught between life and death one man must forgive the unforgivable or lose his second chance forever While reading The Waiting Room you will learn to release unforgiveness and embrace healing You will also discover how forgiveness can restore broken relationships and bring hope In The Waiting Room L A Marzulli weaves a gripping tale of grace healing and supernatural encounter When Bob Frisbee flatlines in a hospital he awakens in a mysterious waiting room where a quirky guide leads him on a journey through his most painful memories Each encounter forces Bob to confront wounds betrayals and broken relationships offering him a final opportunity to let go of bitterness and embrace forgiveness before returning to the life he never knew he needed While reading this novel you will Journey through a richly imagined afterlife setting where every detail is charged with spiritual significance Feel the tension and hope of confronting the ghosts of your own past through a relatable flawed character See the power of forgiveness unfold in real time not as a lesson but as an emotional page turning experience Be inspired to consider your own second chances and the relationships that matter most The Waiting Room is not just a story it s an invitation to step into a world where grace is tangible forgiveness is possible and every heart can find its way home *The Strong Delusion* John W. Milor,2017-02-20 John Milors fascinating work is based on the Bible telling of a powerful deception that will overshadow the Earth a deception so intense that only those with a genuine love relationship with God will be able to endure it Events from the authors own life including a series of supernatural encounters have revealed some key components of this strong delusion which he believes will initiate a grand display of open contact with extraterrestrials It will also involve the global rise of Islam Its no mistake that the faiths of four billion people Christians and Muslims include two versions of prophetic visions that are nearly identical yet they represent opposite sides of a global conflict that will end in the Battle of Armageddon This book delves into myriad topics including Encounters with angels otherworldly beings and Jesus Christ Encounters with demons ghosts nephilim jinns and mythical creatures The Bibles explanation of ET good guys and bad guys The Quran and Hadiths ET connection Was Muhammad abducted as a boy and operated on Was the angel that abducted Muhammad really Gabriel Were the mysterious jinns of Islam actually surviving nephilim Is the Quran and Hadiths ideology specifically tailored for the Antichrist These and other topics harken to ancient times and peer into a not too distant future when the author believes we will see a return to the days of Noah as prophesied by Jesus *Rungs of Disclosure* L. A. Marzulli,2024-10-15 Is this the coming Great Deception By the end of this book you will reveal the truth about extraterrestrial presences on earth that they are real burgeoning and not going away You also will understand what the Biblical perspective on this phenomenon is and is not They ve been here for thousands of years making their presence known in the shadows They might be seen by a lonely motorist on a deserted road late at night or by a frightened and confused husband in the bedroom he is sharing with his wife Perhaps the most

disconcerting part of this phenomenon boils down to this question Has the government been aware of their presence all along and is covertly working with them toward some secret end In Rungs of Disclosure what once was fringe is now reality While reading you ll meet regular people just like you who have encountered something beyond their ability to explain You ll also hear from people of great faith and deep religious belief who continue to have these strange and deeply unsettling encounters L A Marzulli explores these ongoing incidents to discover the answers to these questions Who are they What do they want And why are they here Can you handle the truth Read this book if you dare *Darkness Reigns* Eric O'Connor,2015-12-19 Gregor Nephilim a repentant fallen angel forgiven of his terrible crime must complete one final task before he can be brought back to be with God He must destroy Taitanoth the last angel human hybrid before this giant can complete the task of using an ancient artifact to open a doorway to hell Taitanoth declares war on the city of Dallas and releases his most powerful psychic weapon a wave of pure rage that is capable of destroying the minds of humans turning them into rabid rioters and soulless zombies attacking anyone they can get their hands on Ray Isao and Sam three men chosen by God as warriors to stand with Gregor travel to Dallas to join the angel and confront their destiny Through the millennia Gregor has lost most of his great powers while Taitanoth remains as dangerous as ever The small group must depend on each other for survival as they fight their way through throngs of murderous mobs and dark otherworldly creatures before the Nephilim can complete a ritual that will release Satan from hell **What If ETs Are Real?** LG Rice,2025-02-15 What if everything we thought we knew about the universe was just the beginning What If ETs Are Real delves into the tantalizing question that has captivated humanity for centuries Are we alone Combining cutting edge science historical records and riveting speculation this book examines the implications of extraterrestrial life and how its confirmation could transform our world forever From unraveling ancient mysteries to exploring potential contact scenarios and societal impacts this thought provoking exploration invites readers to imagine a reality where we are no longer the sole sentient beings in the cosmos Are you ready to uncover the truth *The Land of Light* C. Knedlik,2016-08-08 When the cellcom network shuts down on May 7 2060 an economic catastrophe of unprecedented scale engulfs the globe Amid the chaos the world s largest corporation sponsors the founding of a new society seemingly as an experiment in social engineering For thirty six years as civilization crumbles around it this tiny remnant of the human race lives in perfect peace and harmony in the Land of Light The society s leader Farukh al Qasim fears peace cannot last without a fight A world renowned archaeologist before the collapse Qasim has discovered a cache of ancient manuscripts that tell of this very future and its dark end at the hands of the Nephilim But there is hope These same sources point also to a child a savior who will possess a great power lost long ago If he is found perhaps the Land of Light perhaps humanity itself might endure
