Tokens Rachel O'Dwyer, 2023-10-03 Longlisted for the FT Schrodgers Business Book of the Year Award 2023 A BEST BOOK OF THE YEAR GQ Los Angeles Times Wired Wherever you look money is being replaced by tokens Digital platforms are issuing new kinds of money like things phone credit shares gift vouchers game tokens customer data the list goes on But what does it mean when online platforms become the new banks What new types of control and discrimination emerge when money is tied to specific apps or actions politics or identities Tokens opens up this new and expanding world Exploring the history of extra monetary economies Rachel O Dwyer shows that private and grassroots tokens have always haunted the real economy But as the large tech platforms issue new money like instruments tokens are suddenly everywhere Amazon's Turk workers are getting paid in gift cards Online streamers trade in wishlists Foreign remittances are sent via phone credit Bitcoin gift cards NFTs customer data and game tokens are the new money in an evolving economy It is a development challenging the balance of power between online empires and the state Tokens may offer a flexible even subversive route to compensation But for the platforms themselves they can be a means of amassing frightening new powers An essential read for anyone concerned with digital money inequality and the future of the economy Fintech Wars James da Costa, 2024-10-03 Fintech touches every part of our lives from cashless economies to crypto and even our climate This book draws back the curtain on this fascinating world full of friction failure and fortune Fintech Wars delves into one of the world's most lucrative and fast growing sectors Witness the bold strategies groundbreaking innovations and relentless drive that propelled fintech unicorns like PayPal Nubank and Monzo to transform the world Featuring interviews with generational founders including Reid Hoffman LinkedIn Nigel Morris Capital One and Martha Lane Fox Lastminute.com the narrators of this book have built companies that represent over one trillion dollars in market capitalization As the founder of a digital bank James da Costa is a fintech insider He draws upon his network and first hand experiences to offer a fascinating look into the intricacies and motivations behind building billion dollar disruptors Step into the fascinating unpredictable and inspiring world of fintech Last Night in San Francisco Scott Alan Lucas, 2025-08-05 Bad Blood meets Burn Book in this expos about tech icon Bob Lee and what his life and 2023 murder tell us about San Francisco in the Internet Age FOR FANS OF GOING INFINITE AND SUPER PUMPED Sex and drugs parties and violence genius coders and VC tycoons welcome to the rip roaring world of the American tech industry The full story of an industry a city and two men one who got everything he ever wanted one who never got what he thought he deserved and what happened the night it all came apart Like his many peers in the tech industry who had poured into San Francisco over the last two decades Bob Lee was remaking the world building the most familiar parts of our digital lives a lead innovator at one start up after another such as Google Android Square and CashApp When Lee was found stabbed to death one night on the streets of San Francisco the city's many critics knew exactly what it meant Just like they had been saying the city was violent dangerous and out of control San Francisco was so bent on

creating a liberal utopia that it was failing at its most basic tasks to keep its citizens safe It s a familiar story familiar and wrong Bob Lee was a man without limits and he had a recklessness that led to his triumphs as well as his downfall

Digital Cultures, Lived Stories and Virtual Reality Thomas Maschio,2021-11-29 This book focuses on the meaning and experience of digital practice emerging from work in the world of business and drawing on recent anthropological thinking on digital culture Tom Maschio suggests that the digital is a space of a new story culture and considers the lived experience of new technologies The chapters cover storytelling in journalism and business with the new technology of virtual reality the emerging meanings of social media and community building in the digital space the uses and meanings of visual imagery online and the cultural meanings of smartphone technology use and the mobile life The book incorporates ideas from humanistic anthropology and phenomenology in order to bring business problems into alignment with human concerns and desires and to show the application of anthropological ideas to real world issues As well as anthropologists the book will be valuable to business students and professionals interested in the digital realm
