Back To The Truth Dennis Waite,2010-05-11 A systematic treatment of Advaita which demystifies it differentiating between approaches and teachers enabling you to decide which approach is most suitable for you *Numbered Lives* Jacqueline Wernimont,2019-01-01 A feminist media history of quantification uncovering the stories behind the tools and technologies we use to count measure and weigh our lives and realities Anglo American culture has used media to measure and quantify lives for centuries Historical journal entries map the details of everyday life while death registers put numbers to life s endings Today we count our daily steps with fitness trackers and quantify births and deaths with digitized data How are these present day methods for measuring ourselves similar to those used in the past In this book Jacqueline Wernimont presents a new media history of western quantification uncovering the stories behind the tools and technologies we use to count measure and weigh our lives and realities *Numbered Lives* is the first book of its kind a feminist media history that maps connections not only between past and present day quantum media but between media tracking and long standing systemic inequalities Wernimont explores the history of the pedometer mortality statistics and the census in England and the United States to illuminate the entanglement of Anglo American quantification with religious imperial and patriarchal paradigms In Anglo American culture Wernimont argues counting life and counting death are sides of the same coin one that has always been used to render statistics of life and death more valuable to corporate and state organizations *Numbered Lives* enumerates our shared media history helping us understand our digital culture and inheritance Web Information Systems and Mining Liu Wenyin,Xiangfeng Luo,Fu Lee Wang,Jingsheng Lei,2009-11-23 The 2009 International Conference on Web Information Systems and Mining WISM 2009 was held in Shanghai China 7 8 November 2009 WISM 2009 received 598 submissions from 20 countries and regions After rigorous reviews 61 high quality papers were selected for publication in this volume The acceptance rate was 10 2% The aim of WISM 2009 was to bring together researchers working in many different areas of Web information systems and Web mining to foster exchange of new ideas and promote international collaborations In addition to the large number of submitted papers and invited sessions there were several internationally well known keynote speeches On behalf of the Organizing Committee we thank the Shanghai University of Electric Power for its sponsorship and logistics support We also thank the members of the Organizing Committee and the Program Committee for their hard work We are very grateful to the keynote speakers invited session organizers session chairs reviewers and student helpers Last but not least we thank all the authors and participants for their great contributions that made this conference possible November 2009 Wenyin Liu Xiangfeng Luo Fu Lee Wang Jingsheng Lei Organization Organizing Committee General Co chairs Jialin Cao Shanghai University of Electric Power China Jingsheng Lei Hainan University China Program Committee Co chairs Wenyin Liu City University of Hong Kong Hong Kong Xiangfeng Luo Shanghai University China Local Arrangements Chair Hao Zhang Shanghai University of Electric Power China **The New Testament around**

the World Mariam Kamell Kovalishyn, 2025-04-29 As the church continues to expand and strengthen in non Western contexts it is increasingly important for students of the New Testament to be aware of how our global brothers and sisters exegete and apply Scripture Even when we share a grammatical historical approach with others our interpretation of biblical texts is invariably affected by social location and cultural context which influence the questions we ask of the text and how we apply it Western readers can become aware of how our culture influences our interpretation by learning from others from different perspectives including those whose experience may match the original audience more closely than our own This volume ideal as a supplemental textbook for courses in the New Testament brings together distinguished scholars from around the world with perspectives we might not typically encounter and includes some minority voices focused on life within the United States as well Each contributor writes on a biblical book or group of books and together they cover the whole New Testament These authors expose students and pastors in the West to new questions and ways of reading familiar texts The result is an eye opening spiritually enriching experience that will supplement and strengthen our own biblical interpretation

Real Talk: Reality Television and Discourse Analysis in Action Pilar Garces-Conejos Blitvich, 2015-12-26 This is the first book to examine the discourse of reality television Chapters provide rigorous case studies of the discourse practices that characterise a wide range of generic and linguistic cultural contexts including dating shows in China and Spain docudramas in Argentina and New Zealand and talent shows in the UK and USA *Choice*, 2002-05 **Commerce Business Daily**

, 2000 **Ikonica** Jeanette Hanna, Alan C. Middleton, 2008 A stylish provocative look at the tremendous often invisible success of Canada's greatest brands Ikonica is the first exploration of Canada's rich and unique brand heritage Authors Jeannette Hanna and Alan Middleton shed light on the evolution of our country's best known brands from the Hudson's Bay Company to Blackberry This visually stunning tour of Canada's branding environment highlights the prime movers the triumphs and the failures Both Hanna and Middleton draw on years of experience as brand strategists to offer an inside look at the major players in Canadian branding from global success stories like the Four Seasons Hotels to domestic upstarts like WestJet The heart of the book is more than thirty interviews with a who's who of major business and cultural figures including Paul House Tim Hortons Robert Milton Air Canada Fred Schaeffer McCain and William Thorsell Royal Ontario Museum The authors provocative analysis shows what it takes for Canadian brands to punch above their weight in the global marketplace **Library Journal**, 2006
