**Black Friday** Garrett Yahn, Jordan Tynes, 2012-05-21 Black Friday 11 25 2011 contains photographic and anecdotal documentation as well as critical writing and prose related to performance and intervention based art works executed on Black Friday last year at the Natick Mall outside of Boston On November 25th 2011 we led eleven zealous artists to New England's second largest shopping center We perpetuated our own sets of expectations Both were shaped by our physical contributions to our surroundings The following pages are filled with those contributions by our reactions to fulfilled and failed expectations PARTICIPATING ARTISTS Erik Benjamins Jessica Borusky Leah Craig Alaina Gurdak Taylor McVay Anthony Montuori Miles Pflanz Nina Prader Chris Soldt Joanna Tam Jordan Tynes Garrett Yahn **Black Friday** Candace Gauger, 2010-04-08 Therians have lived beside humans since the beginning and now their time is ending It is up to Karina a feline therian to teach and guide Nick a wolf therian all he needs to know before he can save their people The task won't be as easy as she thinks With Nick balking at the start the situation changes to where the two form a bond that will carry them to the end After they leave First Home the magic bearing humans come out to try and stop them from saving their race and bring themselves into human view Candace Gauger is a mother of two boys Currently she lives in Oklahoma where much of her family is located as well Much of her spare time is spent enjoying writing sketching and creating new characters for role play or for story ideas She has an avid interest in Native Americans some of which she has learned appears in much of her writing Her life is quiet and simple amid the suburbanites of her hometown **Black Friday** Frederic Stewart Isham, 1904 Isham's historical melodrama Black Friday centers on the relationship between the heroic railroad baron Richard Strong and his weak-willed wife Elinor Rossiter Financiers Jay Gould's and James Fisk's infamous corner in gold on the New York Stock Exchange in 1869 which culminated in a financial panic on Wall Street and a gold price manipulation scandal that tarnished the presidency of Ulysses S Grant serves as the backdrop as Strong's wife is seduced by Datlon one of Fisk's accomplices Strong seeks to defend the financial system just as he seeks to restore his marriage **Black Friday:** Ashley, Jaquavis, 2012-02-01 All it takes is one murder to change a million lives and that's exactly what happens to Kasheef Williams on a cold black Friday After a reunion with an old friend goes wrong in a Long Island night club Kasheef is forced to protect himself by any means necessary The only problem is that prying eyes see everything Those eyes belong to Alija Bell After walking in on a situation she was never meant to see she runs but Kasheef sees her face and he tells her that it's best for her to get temporary amnesia Afraid for her life and the safety of her daughter she keeps her mouth shut but when a tape of the murder surfaces the only face that's visible is Alija's Now the police are looking for their eyewitness and Kasheef has to get to Alija before her day comes to testify against him in court In this dramatic hood-savvy tale things aren't always as they seem Somebody holds the ticket to the jury's verdict Lies and truth collide Everyone has a different angle but the only question is who has the most influence over Kasheef's fate **Collier's**, 1929 **The Rose of Life** Mary Elizabeth
