Among the Braves Shibani Mahtani, Timothy McLaughlin, 2023-11-07 Through the eyes of two frontline journalists comes a gripping narrative history of the Hong Kong pro democracy movement centered around a cast of four core activists culminating in the 2019 mass protests and Beijing's brutal crackdown Hong Kong was an experiment in governance Handed back to China in 1997 after 156 years of British rule it was meant to be a carve out between hostile systems a bridge between communism and capitalism authoritarianism and liberal democracy One country two systems kept its media free its courts

independent and its protests boisterous designed also to convince Taiwan of a peaceful solution to Beijing's desire for reunification Yet this formulation excluded Hong Kong's own people their future negotiated by political titans in faraway capitals In 2019 an ill conceived law spear headed by a sycophantic leader pushed millions to take to the streets in one of the most enduring protest movements the world has ever seen Xi Jinping responded with a draconian national security law that sought not only to end the demonstrations but quash the problem of Hong Kongers identity and desire for freedom Reverend Chu who believed Hong Kong had to carry the spirit of students at Tiananmen Square saw his silver haired comrades who birthed the city's modern pro democracy movement handcuffed and taken from their homes Tommy an art student radicalized into throwing Molotov cocktails watched braves like him brutalized by police before his own arrest prompted him to flee Finn epitomized the decentralized nature of the movement and its internet fueled victories but online anonymity couldn't stop his life from unravelling Gwyneth could predict her eventual fate when she chose to give up her career as a journalist to stand for election as an opposition candidate and did it anyway In *Among the Braves* Shibani Mahtani and Timothy McLaughlin tell the story of Hong Kong's past and what the sacrifices of its people mean for global democracy's shaky foundation Bacon's Media Calendar Directory ,1996 **The New York Times Index** ,2008 *Jayhawker* Andrew Malan Milward,2019-10-21 Wars ravage Iraq and Afghanistan An earthquake devastates Haiti The economy is in crisis and America is in the death grip of partisan politics But what really really gets you down Your college basketball team loses a key game It kind of makes a person wonder first of course about his priorities but then inevitably about the nature of such an obsession one clearly shared with millions of sports fans spanning the United States In a book that begins with one fan's passion for a game Andrew Malan Milward takes a deep dive into sports culture team loyalty and a shared sense of belonging and what these have to do with character home and history At the University of Kansas where the inventor of the sport coached its first team basketball is a religion and Milward is a devoted follower with a faith that has grown despite time and distance Jayhawker his first venture into nonfiction bears the marks of the accomplished storyteller Sharply observed deftly written and often as dramatic as its subject the book pairs personal memoir with cultural history to conduct us from the world of the athlete to the literary life from competition to camaraderie from the history of the game to the game as a reflection of American history at its darkest hour and in its shining moments A journey through one man's obsession with basketball Jayhawker On History Home and Basketball tells a quintessential American story *Brandweek* ,2007
