Reddit Deal:

Growth Hacking Reddit Jonathan Rintala, 2025-08-28 The startup founder's playbook to hacking growth on Reddit And how to build a million dollar SaaS using Reddit With examples and screenshots to copy Focused on B2B SaaS You will learn proven tactics to Find high intent buyers for your SaaS Get large exposure to relevant prospects Show up in AI search and Google without SEO Get deal flow from Reddit Why Reddit to grow SaaS Now that AI content is popping up everywhere communities and Reddit is one of the best ways to spend your time if you want to grow a SaaS Growth marketers at some of the fastest growing SaaS in the world seem to agree For example Head of Growth at Deel shares how they used Reddit as part of their strategy scaling from 0 to 300M in ARR in 3 years If you're a SaaS founder growth marketer or someone looking to drive leads and revenue Reddit is a goldmine waiting to be tapped into Three reasons why Reddit 1 Google loves Reddit Search engines have undergone massive changes in the last years making the old SEO marketing playbooks obsolete Google now promotes Reddit posts and comments on the top of the Search Engine Page SERP 2 AI loves Reddit Generative search and Large Language Models LLMs like ChatGPT Gemini and Claude need quality content to train on favouring human generated content coming from communities like Reddit 3 Buyers trust Reddit People go to Reddit to get honest and transparent advice on software to buy Buyers are tired of sponsored blog post pay to play sites affiliates earning commission from articles like top 10 best HR software And tired of AI generated content What if instead of interrupting people with ads or filling their inbox with unwanted emails you could join conversations they're already having And do it for free Too good to be true Well by applying this Reddit playbook it is possible Most books on growth hacking are either outdated or written from a theoretical standpoint by professionals in a suit The problem is growth hacking is not a theory you learn in a classroom Or by putting on a suit It's just as much art as science Finding outsized ways to grow your startup Building something from zero That's the reality for most founders early stage growth marketers and GTM experts This is a practical handbook on how to really drive growth and get customers for your startup using Reddit Nothing more nothing less This stuff is powerful because it works And it can very much move the needle for your startup But you need to put in the work and follow along the steps for the formula

The Dark Social Toija Cinque, Alexia Maddox, Robert W. Gehl, 2023-11-07 This book explores how people interact online through anonymous communication in encrypted hidden or otherwise obscured online spaces Beyond the Dark Web itself this book examines how the concept of dark social broadens the possibilities for examining notions of darkness and sociality in the age of digitality and datafied life The authors take into account technical moral ethical and pragmatic responses to ourselves and communities seeking to belong in of the dark Scholarship on the Darknet and Dark Social Spaces tends to focus on the uses of encryption and other privacy enhancing technologies to engender resistance acts Such understandings of the dark social are naturally in tension with social and political theories which argue that for politics and acts to matter they must appear in the public light They are also in tension with popular narratives of the dark recesses

of the web which are disparaged by structural powers who seek to keep their subjects knowable and locatable on the clear web The binary of dark versus light is challenged in this book The authors provocation is that practices of dark resistance motility and power are enacted by emerging data cultures This book draws together scholarship activism and creativity to push past conceptual binary positions and create new approaches to darknet and dark social studies The Dark Social Online Practices of Resistance Motility and Power will be a key resource for academics researchers and advanced students of media studies cultural studies communication studies research methods and sociology This book was originally published as a special issue of Continuum Journal of Media Cultural Studies

Gaming Democracy Adrienne L. Massanari,2024-10-29 How play and gaming culture have mainstreamed far right ideology through social media platforms From Gamergate to the ongoing Big Lie the far right has gone mainstream In Gaming Democracy Adrienne Massanari tracks the flames of toxicity found in the far right and alt right movements as they increasingly take up oxygen in American and global society In this pathbreaking contribution to the fields of internet studies game studies and gender studies Massanari argues that Silicon Valley s emphasis on meritocracy and free speech absolutism has driven this rightward slide These ideologies have been coded into social media spaces that implicitly silence marginalized communities and subject them to rampant abuse by groups that have learned to game the ecology of platforms algorithms and attention economies While populist movements are not new phenomena such as QAnon parental rights activism and COVID denialism are uniquely of the internet with supporters demonstrating both technical acumen and an ability to use memes and play as a way of both building community and fomenting dissent Massanari explores the ways that the far right uses memetic humor and geek masculinity as tools both to create a sense of community within these leaderless groups and to obfuscate their intentions Using the lens of play and game studies as well as the concept of metagaming Gaming Democracy is a novel contribution to our understanding of online platforms and far right political activism
