**Microtimes** ,1995     The Magic of 3 Joshua King,2022-12-05 Now is a great time to be a saver We earn 3% interest through a high yield savings account That is completely free money just for saving in a certain institution How will we use these interest payments First we can reinvest in our HYSA But we can also take this money and invest into higher yield products safely Either way HYSAs are a start on the passive income path Our kids will follow how we travel the course so it s time to move beyond our comfort zone Good Luck     High-Yield Savings Accounts Vs. Standard Savings Accounts JOSHUA. KING,2025-03-18 Do you want to save your money in a bank account that pays 0 1% That isn t enough money for anything I prefer to save my emergency fund in a high yield savings account that pays 4 0% or higher Over 30 years a 15 000 deposit in a high yield savings account would become 45 000 while the same 15 000 would grow to 15 500 in a standard savings account The first step to financial freedom is following a strict budget After that you must save in a high yield savings account to give every dollar a mission Good Luck     Welcome to the Elite Savers of America Joshua King,2023-08-31 Can you save 10 000 in a high yield savings account HYSA It is no easy task but I believe in you The first step is understanding why saving money is vital to our future We cannot pause our lives with every emergency that arises Next we must understand that our emergency fund should not be used frequently or randomly In fact we should aim never to use these funds Finally we must create additional income streams to increase our savings rate and cash flow If we can do all these things we will become members of the Elite Savers of America Welcome
