mate she's scared to death. Mate. She'd heard the term before. And what it meant. She would belong to him. Not just him but whoever he wanted to sell her to. Andi reached for the door handle thinking that rolling from a moving car would be better than being passed around like a napkin at a banquet hall. Don't do that. He reached for her hand just as she touched the handle. Please just listen to me and I'll explain. I don't need you to explain. I know what mate means. My friends at school they told me what happens when you become a mate to men. And what they didn't tell me my father and aunt explained the rest. Mates use you and then when they've had enough they pass you around to all the other men they know. I won't have it. The car suddenly stopped. Her seatbelt cut into her neck and she nearly hit her head on the dash. It stopped so abruptly. **Darcy**

Kathi S. Barton, 2016-11-28 Brooke Rickson had been working the pottery wheel and pulling clay with her great grandfather for almost as long as she could remember. Her work was famous even though no one really knew who she was. She preferred it that way and had become a recluse since her great grandfather died. He had left her everything. Mac Harrison loved rare pottery and when he landed two tickets to the big art show he was thrilled. He could get his prized Rickson pottery piece appraised and get to see new work at the same time. He brought his brother Darcy along for the ride. When Darcy caught Brooke's scent he knew he'd found his mate. Unfortunately the beautiful recluse made no bones about telling him that she was alone and liked it that way and that no man was barging in and taking over her orderly life. She was living her life just the way she wanted it and that didn't include taking orders from a man. Any man. He could get that thought right out of his head. **Mark of the B*e*a*s*t***
