

A photograph of a dirt path winding through a grove of ancient olive trees. The trees have thick, gnarled trunks and dense green foliage. The path is flanked by large, dark rocks. In the background, a hazy landscape with hills and a body of water is visible under a bright sky. A semi-transparent dark green rectangular box is centered over the path, containing the title text in white serif font.

**Commentary on the Gospel of John** David E. Pratte, 2013-08-21 Bible study notes and commentary on the New Testament gospel of John with explanation and practical applications for the everyday Bible student Written from the conservative viewpoint of faith in the Bible as the absolute inerrant verbally inspired word of God Comments include discussion of these topics Evidence for faith in the Deity of Jesus Testimony of miracles and fulfilled prophecy Jesus public ministry and teaching Work of John the Baptist and of Jesus apostles Jesus death burial and resurrection

**John: Chapter 7-21** Ernst Haenchen, 1984 Contains a number of valuable insights The introductory material on Johannine criticism is some

of the clearest exposition for students available anywhere      **Prayer in John's Farewell Discourse** Scott Adams,2020-03-12 It was reported that a doctoral student at Princeton once asked Albert Einstein What is there left in the world for original dissertation research He replied by saying Find out about prayer Somebody must find out about prayer Since Einstein s day a great deal has been written on the topic of prayer in general However relatively little has been written about prayer in John s Farewell Discourse in particular Therefore this analysis not only seeks to understand the relationship between Johannine and Jewish Greco Roman and Christian prayer traditions but also seeks to discern the unique function and application of prayer as it is prescribed in the Farewell Discourse      **John** Edward W Klink III,2017-01-10 Concentrate on the biblical author s message as it unfolds Designed to assist the pastor and Bible teacher in conveying the significance of God s Word the Zondervan Exegetical Commentary on the New Testament series treats the literary context and structure of every passage of the New Testament book in the original Greek With a unique layout designed to help you comprehend the form and flow of each passage the ZECNT unpacks The key message The author s original translation An exegetical outline Verse by verse commentary Theology in application While primarily designed for those with a basic knowledge of biblical Greek all who strive to understand and teach the New Testament will benefit from the depth format and scholarship of these volumes      **John, His Gospel, and Jesus** Stanley E. Porter,2015-10-14 Captures John s unique perspective and voice in the wider field of Jesus studies In this volume Stanley Porter tackles a variety of important and often highly contentious topics within the Gospel of John as a means of defining and capturing the distinctive Johannine voice Subjects discussed include John in relation to competing Gospels the public proclamation of Jesus in John the sources of John s Gospel John s prologue the I Am sayings the notion of truth the Passover theme and the ending of the book Each chapter besides surveying representative research puts forward new and insightful proposals regarding the topics concerned Porter does not shy away from matters that have often perplexed Johannine scholars and he confronts some of the viewpoints that have led to confusion in the field In exploring John s unique perspective and voice Porter makes a significant contribution to the wider fields of Jesus studies and New Testament investigation      *Hoffmann's Catholic Directory, Almanac and Clergy List* ,1886

**People's Commentary on the Gospel According to John** Edwin Wilbur Rice,1893      **An Illustrated Commentary on the Gospel According to St. John** Lyman Abbott,1879      **The United States Catalog** ,1900      **The United States Catalog** Mary Burnham,Carol Hurd,1928      *The Jewish Gospel of John: Discovering Jesus, King of All Israel (e-Book)* Eli Lizorkin-Eyzenberg,2015-07-08 The Jewish Gospel of John is not by any standard another book on Jesus of Nazareth written from a Jewish perspective It is an invitation to the reader to put aside their traditional understanding of the Gospel of John and to replace it with another one more faithful to the original text perspective The Jesus that will emerge will provoke to rethink most of what you knew about this gospel The book is a well rounded verse by verse illustrated rethinking of the fourth gospel Here is the catch instead of reading it as if it was written for 21 century Gentile Christians the book interprets

it as if it was written for the first century peoples of ancient Israel The book proves what Krister Stendahl stated long time ago Our vision is often more abstracted by what we think we know than by our lack of knowledge Other than challenging the long held interpretations of well known stories the author with the skill of an experienced tour guide takes us to a seat within those who most probably heard this gospel read in the late first century Such exploration of variety of important contexts allows us to recover for our generation the true riches of this marvelous Judean gospel Dr Eli Lizorkin Eyzenberg has produced an original and thought provoking work His book is an interesting effort to view this gospel as reflecting north Israelite and Samaritan viewpoints This study brings with it fresh interpretive air and new light to our challenging field Prof Israel Knohl Head of the Bible Department The Hebrew University of Jerusalem For some time research on the Gospels has suffered from stagnation and there is a feeling that there is not much new that one can say In light of this Dr Eli Lizorkin Eyzenberg s new commentary on the Gospel of John with its original outlook on the identity of the original audience and the issues at stake is extremely refreshing Prof Ishay Rosen Zvi Head of the Talmud and Late Antiquity Department Tel Aviv University

The Signs of Jesus' Deity in the Gospel of John Solomon E. Fields, 2020-08-27 Do the miracles in the gospel of John really prove that Jesus of Nazareth is the son of God In a carefully researched study a seasoned preacher and teacher examines the signs recorded in the gospel of John explores whether they provide definitive proof of the deity of Jesus Christ and analyzes the background of the audience during the time period of Jesus as well as that of the implied readers of the gospel While explaining the text in John s gospel specifically the passages related to the traditional seven signs and the other nontraditional miraculous signs Dr Solomon Fields also analyzes the acceptance or lack of acceptance of the signs that John incorporates as reasons for believing in Jesus Christ and considers the post resurrection perspective of the uniqueness of the signs within the early church and the present day church in regard to the Christian faith all while giving honor and glory to the Lord Jesus Christ so that souls may be saved and strengthened in the kingdom of God The Signs of Jesus Deity in the Gospel of John provides a concise resource tool for those who minister through preaching teaching and leading bible studies around the signs within this important Christian teaching I thank Dr Fields for presenting such a fresh view on the Signs miracles of Jesus These Signs are a testament of the Divine powers of His attributes shown to man during His ministry here on earth No one else within the historical times of man on earth could possibly exhibit these things except the Son of God Being a student of history I appreciated the book s use of the Old Testament to give strength to the acts rendered by our Lord Jesus Christ The Old Testament connection expounds on the fact that the Word Jesus was preexistent from the beginning as indicated in the first verse of the Book of John The Word was God prior to the beginning and so in essence these powers of Signs were existing prior to the beginning Again thank you Dr Fields for this persuasive view on the Signs of Jesus it is a good resource for study I will recommend the book for my students Dr Bill Odems Mount Olive Bible Institute Whether you are a pastor minister or layperson you will find this in depth exposition of the miracles of Jesus as chronicled in the Gospel of

John to be inspirational insightful and provocative The meticulous examination and brilliant writing of Dr Fields reinforce the truth regarding the deity of Jesus as The Christ Cory S Powell Pastor New Dimensions Tabernacle Lubbock TX *Sin, the Human Predicament, and Salvation in the Gospel of John* Mathew E. Sousa,2021-08-12 Mathew E Sousa demonstrates that in certain respects John s doctrine of salvation fails to align with its customary depiction in Johannine scholarship Sousa suggests that according to John the human predicament is not merely unbelief or a lack of mental perception and Jesus s mission consists not merely of revelation and or a purely forensic atonement Rather Jesus is for John the one who makes true and everlasting life an accomplished fact for humanity and in doing so Jesus reveals the true nature of the predicament from which he saves Sousa argues that salvation in the Gospel of John concerns ethics and the quality or condition of human corporeality The matters of sin and death in particular also make clear that according to John the human predicament is a reality that in various ways persists for believers as they both are and become children of God Sousa thus concludes that salvation for John consists of far more than the emergence of belief in a moment of decision **Freedom** William E. Bradley,2011-02 Bill Bradley has done those who love God s Word a great favor His excellent commentary of the Gospel of John is unique for a couple of significant reasons It is both concise and yet detailed Also Bill gives a perspective from personal convictions and experiences This book will be a valued addition to anyone s collection of commentaries I recommend it to all who love God s Word Donald A De Luke West Monroe LS Pulpit Preacher at Jackson Street Church of Christ **A Supplementary Catalogue of Hindi Books in the Library of the British Museum Acquired During the Years 1893-1912** British Museum.
