U.S. News & World Report ,1983 *USA Today Index* ,1995 **American Decades: 1990-1999** Vincent Tompkins,Judith Baughman,Victor Bondi,Richard Layman,Eric L. Bargeron,James F. Tidd,1994 Examines the changes in American civilization from the beginning of the twentieth century to the present

Bears vs. Cardinals Joe Ziembra,2022-09-01 In their early years the Chicago Bears and the Chicago Cardinals the two oldest teams in the National Football League travelled the country with only rare mention in the newspapers Both teams later saw their official records destroyed by fire Most of what is now known about those initial seasons is based on often inaccurate statements made many years later Reconstructing their missing history this book draws on newly available resources to document the battles and brawls on and off the field the cunning backroom deals the financial woes and the 40 year rivalry that endured while both teams were in Chicago Figures like Al Capone Red Grange Jim Thorpe and Bronko Nagurski make appearances in the lore of two old adversaries whose uneasy alliance helped ensure the survival of the fledgling NFL

Old Leather Chris Willis,2005-07-07 Very little has been documented about the early days of pro football and the pioneers who had a major influence in the history of the NFL Chris Willis head of the Research Library at NFL Films seeks to address this neglect In this collection of original and archival interviews former players owners fans family members and league officials provide a rare glimpse into the origins of professional football Full of rich anecdotes early stars such as Red Grange Jim Thorpe Dutch Clark Glenn Presnell and Pete Henry are brought back to the playing field The interviews also reveal how small towns in Ohio such as Canton Akron Columbus and Dayton came to host franchises as the state became a major force in the founding and growth of the NFL Old Leather provides the reader with a firsthand look at a period that has largely been ignored It recalls what the era of professional football was like in the age of leather helmets no television dirt fields small salaries and when playing for the love of the game was its own reward This book will appeal not only to historians sportswriters and scholars but also to die hard fans and general history buffs who can never get enough of America s favorite sport Contains 17 photographs of players owners and teams
