Television, Social Media, and Fan Culture Alison F. Slade, Amber J. Narro, Dedria Givens-Carroll, 2015-11-11
Television Social Media and Fan Culture examines how fans use social media to engage with television programming characters and narrative as well as how television uses social media to engage fan cultures The contributors review the history and impact of social media and television programming analyze specific programs and the impact of related social media interactions and scrutinize the past fan culture to anticipate how social media programming will develop in the future The contributors explore a diverse array of television personalities shows media outlets and fan activities in their analysis including Jon Stewart Stephen Colbert and Paula Deen Community Game of Thrones Duck Dynasty Toddlers and Tiaras Talking Dead Breaking Bad Firefly Buffy the Vampire Slayer Army Wives The Newsroom Doctor Who Twin Peaks and The Man from U N C L E as well as ESPN s TrueHoop Network and Yahoo s Ball Don t Lie and cosplay

Disability and Fandom Katherine Anderson Howell, 2025-03-19
Disability and Fandom discusses the accessibility and welcome of fan spaces and it explores how disability functions in fan practices In a readable personal style Katherine Anderson Howell shows the overlaps between disability studies and fan studies analyzing how fandom operates in physical and digital fan spaces She argues that it is time for fan studies to let go of the idea of fans in general as marginalized or as powerless groups Anderson Howell examines how key fandom platforms including cons Tumblr Archive of Our Own Instagram Reddit and TikTok set up user interfaces that may mask their true values potentially decreasing access and creating a system by which disability remains stigmatized Readers will find case studies of fan fiction disability influencers anti fans trolls and celebrities The argument is made for incorporating disability into the analytical tools of fandom so that we may begin with better tools and better questions [PC World](#) ,2007 [New Mexico Law Review](#) ,2013 [Notes and Queries](#) ,1903 [The Madman Theory](#) Jim Sciutto, 2020-08-11 New York Times bestselling author of The Return of Great Powers A compelling study of the damage done to US national security by Donald Trump Michael Isikoff New York Times bestselling author of Find Me the Votes From praising dictators to alienating allies Trump made chaos his calling card Was it a strategy like Richard Nixon s attempt to destabilize communist bloc countries by appearing just crazy enough to nuke them the madman theory Trump praised Kim Jong un and their love notes admired and flattered Vladimir Putin and gave a green light to Recep Tayyip Erdogan to invade Syria while attacking US institutions and officials ignoring the best information and intelligence available to him and turning his back on allies from Canada and Mexico to NATO to Ukraine to the Kurds at war with ISIS He continually caught the world off guard but did it serve a purpose Jim Sciutto a George Polk and Edward R Murrow Award winner shows how Trump s supporters assumed he had a strategy that he somehow played three dimensional chess Four years later it was clear his unpredictable focus on short term headlines did in fact lead to predictably mediocre results in both the short and long run His foreign policy undermined American national security interests while leaving longtime allies

isolated and vulnerable and comforting and emboldening our enemies The White House s revolving door of staff demonstrated that Trump had no real plan all serious policymakers and those who would be a check on his most destructive impulses were exiled or jumped ship Sciutto interviewed a wide swath of then current and former administration officials to assemble the first comprehensive portrait of the impact of Trump s erratic foreign policy The Madman Theory is the definitive take on Trump s calamitous legacy around the globe showing how his proclivity for chaos created a world more unstable violent and impoverished than it had been before An ominous warning Kirkus Reviews Combines fine reporting with intelligent analysis in a way that is unusual and enlightening and entertaining William Kristol
