Teaching Music Improvisation with Technology Michael Fein,2017-02-03 Incorporating technology in music classrooms can take the mystery out of improvisation What music technology does is establish a strong foundation for chord scale phrase ear training and listening exercises creating a solid backdrop for student expression As author and educator Mike Fein shows technology is a valuable tool that can be used effectively to supplement student practice time while also developing the skills necessary to become a proficient improviser Complete with notated exercises accompaniment tracks and listening resources this book gives teachers methods to set their

students free to make mistakes and to develop their own ear for improvisation at their own pace Broken down into significant areas of music technology each chapter focuses on developing a new skill and guides readers to tangible outcomes with the assistance of hands on activities that can be immediately implemented into the classroom In addition to these hands on activities each chapter provides the reader with an iPad Connection to various iOS applications which allows teachers and students another albeit significantly less expensive medium through which to learn share and create art This book will appeal to music educators of students in grades K 12 It will serve collegiate music education courses secondarily and will also appeal to those music educators who work with improvisation and technology

Competing with Disruptive Business Models in Traditional Industries. Conceptualisation of a Strategic Framework Nils Berkemeyer, 2016-05-06 Master's Thesis from the year 2015 in the subject Business economics Business Management Corporate Governance grade 1 0 Cass Business School language English abstract An increasing number of journalistic articles and academic literature deal with the struggle of established companies to fend off the attacks by industry newcomers such as Airbnb Spotify Netflix Google and many others These companies enter traditional industries with innovative business models and compete in a manner which makes it challenging for incumbent firms to understand their novel competition and respond effectively This study introduces a typology of three stages of industry disruption that classify the newcomer's developmental stage and describe the incumbent's competitive position in terms of competition intensity and remaining time to respond It is demonstrated how incumbents may conduct their strategic reasoning along these stages to arrive at a strategic goal and evaluate possible counter measures

Bollywood Kitchen Sri Rao,2017-11-07 You re invited to a party where the food and entertainment are both in Technicolor It s dinner and a movie in this vibrant beautifully photographed tour of Indian food and films Indian cuisine and Indian cinema known as Bollywood share much in common bold colors and flavors with plenty of drama But to the uninitiated they can seem dizzying Let Sri Rao be your guide As one of the only Americans working in Bollywood Sri is an expert on Indian musical films and as an avid cook he s taken his mom s authentic home cooked recipes and adapted them for the modern American kitchen The popularity of Indian food has grown immensely in recent years and for good reason It s perfectly suited for people who love bold flavors as well as those looking for vegan vegetarian and gluten free meals that don t skimp on taste But as Sri points out in *Bollywood Kitchen* you ve probably never tasted real Indian food Home cooked

Indian American food is surprisingly simple to make using ingredients readily available in your local grocery store. In this book you'll find dinner menus and brunch menus, menus for kids and menus for cocktail parties. Along with each healthy and easy-to-prepare meal, Sri has paired one of his favorite Bollywood movies. Every one of these films is a musical packed with dazzling song and dance numbers that are the hallmark of Bollywood, beloved by millions of fans all over the world. Sri will introduce each film to you, explaining why you'll love it and letting you in on some juicy morsels from behind the scenes. Bollywood Kitchen is as much a beautiful coffee table book as it is a cookbook filled with gorgeous film photographs and colorful tablescapes. It's a unique treasure for Indian food lovers as well as fans of world cinema. WIPO Magazine, 2015
