

American Civilization An Introduction

DAVID MAUK, ALF TOMAS TØNNESSEN AND JOHN OAKLAND

8TH EDITION

American Civilization An Introduction

**Harold Ordway Rugg, James Edgar
Mendenhall**

American Civilization An Introduction:

American Civilization David Mauk, David C. Mauk, John Oakland, 2013-01-11 This hugely successful text provides students of American studies with the perfect background and introductory information on contemporary American life. Thoroughly revised, this fifth edition covers all the central dimensions of American society from geography and the environment, government and politics to religion, education, media and the arts. American Civilization covers all core American studies topics at an introductory level, contains essential historical background for American studies students at the start of the twenty-first century, analyzes gender, class, and race, and America's cosmopolitan population. It contains photos, case studies, questions, and terms for discussion and suggests websites for further research. With new illustrations and case studies, this edition of American Civilization includes expanded sections on Asian and Latino minorities and US foreign policy activities and provides new material including coverage of the 2008 election and the shifting economic situation. An invaluable online resource, the American Civilization companion website features a wealth of material including extensive references for further reading, links to key primary sources, filmographies, and advice to students of how to approach essay questions. Visit www.routledge.com/textbooks/9780415481625 to discover more. *American Civilization* David Mauk, John Oakland, 2005 This introduction to contemporary American life examines the key institutions of American society including state and local government, geography, education, law, media, and culture, with the emphasis placed on the people of America. **American Civilization** David Mauk, John Oakland, 2013-07-31 This revised and updated edition of the hugely successful American Civilization provides students of American studies with the perfect background and introductory information on contemporary American life. This sixth edition examines the central dimensions of American society from geography and the environment, government and politics to religion, education, sports, media, and the arts. This book covers all core American studies topics at an introductory level, contains essential historical background for American studies students in the twenty-first century, analyzes issues of gender, class, race, and minorities in America's cosmopolitan population, contains color photos, case studies, questions, and terms for discussion, bibliographical references, and lists of websites central to each chapter, accompanied by a fully integrated companion website featuring extensive references for further reading, links to key primary sources, filmographies, and advice for students on how to approach essay questions. Featuring new color illustrations and case studies, this edition includes expanded sections on the environment, immigration, foreign policy, media, and the arts, sport, and leisure cultures, as well as a new section on the LGBT community and detailed coverage of the 2012 election and shifting economic situation. **American Civilization** David Mauk, Alf Tomas Tønnessen, John Oakland, 2021-08-24 The eighth edition of the hugely successful American Civilization offers students the perfect background and introductory information on contemporary American life, examining the central dimensions of American society from geography and the environment to government and politics, religion, education, sports, media, and the arts. Fully and comprehensively updated throughout with

regard to events processes attitudes and major figures in society culture and politics in the United States this new edition brings the book up to date through coverage of recent events including the 2020 US election and 2021 presidential inauguration revised chapters on geography women and minorities and the media that incorporate more information on such themes as environmental legislation the LGBTQ community social media and people all key themes in the study of American culture and society the introduction of topical studies that connect small case studies to apposite illustrations to highlight key subjects within the field and the inclusion of more discussion questions that require analysis and the use of evidence to substantiate argumentation to enable students to develop their own essay responses to typical questions that they may be asked Supported by exercises and suggestions for further reading at the end of each chapter a substantial chronology that covers key events in the history of the United States and a fully integrated companion website www.routledge.com/cw/mauk the textbook remains an essential introduction to American civilization culture and society for American Studies students
