Defining Sport Shawn E. Klein, 2016-12-14 *Defining Sport* Conceptions and Borderlines is not about the variations of usage of the term sport It is about the concept the range of activities in the world that we unite into one idea sport It is through the project of defining sport that we can come to understand these activities better how they are similar or different and how they relate to other human endeavors This definitional inquiry and the deeper appreciation and apprehension of sport that follows is the core of this volume Part I examines several of the standard and influential approaches to defining sport Part II uses these approaches to examine various challenging borderline cases These chapters examine the interplay of the borderline cases with the definition and provide a more thorough and clearer understanding of both the definition and the given cases This work is not meant to be

the definitive or exhaustive account of sport It is meant to inspire further thought and debate on just what sport is how it relates to other activities and human endeavors and what we can learn about ourselves through the study of sport This book will be of interest to scholars in philosophy of sport history communications sociology psychology sports management cultural studies and physical education

How Canadians Communicate V David Taras, Christopher Waddell, 2016-03-15
Fewer Canadians than ever are lacing up skates swimming lengths at the pool practicing their curve ball and experiencing the thrill of competition However despite a decline in active participation Canadians spend enormous amounts of time and money on sports as fans and followers of sporting events and sports culture Never has media coverage of sports been more exhaustive and never has it been more driven by commercial interests and the need to fuel consumerism on which corporate profits depend But the power plays now occurring in the arena of sports are by no means solely a matter of money At issue as well in the media capture of sports are the values that inform our daily lives the physical and emotional health of the population and the symbols so long central to a sense of Canadian identity Writing from a variety of perspectives the contributors to this collection set out to explore the impact of the media on our reception of and attitudes toward sports to unpack the meanings that sports have for us as citizens and consumers Some contributors probe the function of sports as spectacle the escalation of violence controversies over drug use and the media's coverage of tragic deaths while others shed light on the way in which the media serve to transform sports into a vehicle for the expression of identity and nationalism The goal is not to score points but to prompt critical discussion of why sports matter in Canadian life and culture and how they contribute to the construction of identity

Essays: De Rerum Natura Gregory Blotnick, 2025-08-20
A raw unflinching collection of essays on pain discipline redemption and the inner war every man must fight in rebuilding himself In *Essays De Rerum Natura* Gregory Blotnick takes readers on a searing journey through the depths of the human condition exploring suffering forgiveness and the constant tension between failure and renewal With hard earned wisdom and philosophical depth he champions relentless personal accountability not as a form of penance but as the only true path to freedom Blotnick writes not as a guide but as a fellow traveler through the dark night of the soul sharing lessons forged in the fires of personal collapse In this collection of thirty essays he weaves these reflections with the timeless insights of thinkers like Pascal Schopenhauer Seneca Nietzsche and Plutarch creating a powerful blend of lived experience and enduring wisdom Part memoir part philosophical guide and part spiritual reckoning *Essays De Rerum Natura* is a blueprint for rebuilding after defeat Above all it is a clarion call for readers to keep showing up to life holding firm in their own self belief as they transform suffering into strength 100% of book proceeds are donated to the American Foundation for Suicide Prevention AFSP
