**A Seriously Useful Author's Guide to Marketing and Publicising Books** Mary Cavanagh, 2009 Gone are the times when most authors could relax and let their publisher sell their book for them Nowadays in a climate of increasing commercialisation the majority of authors both new and established are discovering that they get no help at all For the self published a rapidly expanding market this has always been largely the case but now nearly all authors are faced with the task of having to market and publicise their own book The prospect is a daunting one but without some form of self input it is rare for any book to sell in significant quantities However exactly what needs to be done to generate sales and to create a reputation for a book is often a mystery Thus *Seriously Useful* aims to demystify the processes in a concise lively and highly readable way Although primarily concerned with making sales it also offers some very useful pre publication advice including the options and benefits of self publishing In addition it reveals some essential inside information on how the books trade works so the author has an excellent understanding of their book's journey from manuscript to publisher to wholesaler to retailer to reader There are also some very useful contributions from other mainstream and self published authors Written by Mary Cavanagh a

novelist and short story writer who has had first hand experience of both mainstream and self publishing Her previous work includes *The Crowded Bed* Transita 2007 and *A Man Like Any Other The Priest s Tale Matador* 2008 **Harry Potter S.** Gunelius,2008-06-03 The Harry Potter books are the bestselling books of all time In this fascinating study Susan Gunelius analyzes every aspect of the brand phenomenon that is Harry Potter Delving into price wars box office revenue and brand values amongst other things this is the story of the most incredible brand success there has ever been Southwest Builder and Contractor ,1925 **Children's Book Review Index 2008** Dana Ferguson,2008-08-15 The Childrens Book Review Index contains review citations to give your students and researchers access to reviewers comments and opinions on thousands of books periodicals books on tape and electronic media intended and or recommended for children through age 10 The volume makes it easy to find a review by authors name book title or illustrator and fully indexes more than 600 periodicals **Book Review Index - 2009 Cumulation** Dana Ferguson,2009-08 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year Geological Survey Professional Paper ,1953 **Book Review Digest** ,2008 National Union Catalog ,1978 Includes entries for maps and atlases The Coal Trade Journal ,1897 **Sawards' Coal Freight Circular** Frederick Edward Saward,1897 **Transactions of the American Society of Mechanical Engineers** American Society of Mechanical Engineers,1929 Vols 2 4 11 62 68 include the Society s Membership list v 55 80 include the Journal of applied mechanics also issued separately as contributions from the Society s Applied Mechanics Division **Quill & Quire** ,2008 Annual Report of the Minister of Mines for the Year Ending ...
