Nazis on how to sway American audiences They include people like Paul Manafort who invented lobbying as we know it and who then took his talents to autocrats from Ukraine to the Philippines and then back to the White House And they now include an increasing number of Americans elsewhere in law firms and consultancies among PR specialists and former lawmakers and even within think tanks and universities In *Foreign Agents* Casey Michel shines a light on these foreign lobbyists as some of them after decades of installing dictators and corrupting American policy embark on their next mission to end America's democratic experiment once and for all *Net Guide* Peter Rutten, Albert F.
