## **Nissan Engine Code:**

*Federal Register*, 2013-05      **The Fast, the Fraudulent & the Fatal** Michael Bender, 2009-03-18 Stolen vehicles and stolen lives are abundant in this dark and dangerous underground that has taken over our highways and streets all in the name of fun. A fact-filled assault on illegal street racing, drifting, stunting, and even car shows often inundated with larceny, deceit, injuries, and death. Examining years of hands-on real stories of theft, fraud, and the Fast and Fraudulent scene and what can be done to identify problem areas, recover stolen vehicles and parts, identify fraud, save lives, prevent injuries, and protect property. This internationally recognized expert has researched every angle of this scene, packing pages with facts, investigative techniques, and solutions. Over a decade of hands-on investigations and requests for training on this scene prompted this book. With testimonials including such praises as Mike Bender's presentation concerning the direct link between Street Racing and Auto Crimes is without doubt the most comprehensive available world-wide. Mike's direct knowledge and enthusiasm is very evident in the first minutes of his presentation. As a long-time auto crimes investigator and a drag racer, I can attest that Mike's program is filled with current and accurate information. This class is a must for any street officer, auto theft investigator, or insurance investigator. A must read for Law Enforcement, Auto Theft Investigators, Insurance Companies, Fraud Investigators, Parents, and Educators.
