Last summer, I went to visit my grandmother, who lives in a different country. I was playing in her garage when suddenly the power went out. It was pitch dark. Luckily, I found a flashlight lying nearby. As I turned it on, I heard a sound coming from under the car. I decided to check where the sound was coming from. As soon as I bent down and looked, I realized there was an alligator who was crying. I asked him why he was upset. He said, "I lost my favorite yellow socks". I have looked everywhere, but I can't find them." I felt bad for him and assured him that I would help. I was looking for the yellow socks as promised. Instead, I found a singing spider. He sang a song about a striped pig flying in the sky. Meanwhile, I found the alligator's socks in the trunk of the car. I smiled and rushed to the alligator, eager to give him his socks back, but he was nowhere to be found. That's when an ant crawled up my arm and whispered to me "Hey buddy, that magic flashlight is making you see things."
