**The Practitioner's & Professional's Guide to Intimate Partner Violence Advocacy in the Digital Age** Laura Elizabeth, 2025-05-02 This book presents a pioneering framework tailored for professionals involved in addressing intimate partner violence IPV specifically targeting the mitigation of social media misinformation Utilizing effective communication strategies across platforms like X Facebook Instagram and TikTok it seeks to bridge the divide between academic expertise and public comprehension addressing key challenges encountered by practitioners Beginning with foundational chapters defining IPV tracing the evolution of social media and dissecting misinformation it sheds light on prevalent knowledge gaps underscored by cases like the Johnny Depp and Amber Heard trial The latter section serves as a comprehensive guide furnishing industry specific communication insights for law enforcement counselors researchers and more Culminating with actionable recommendations for future research and practice this work is poised to enhance understanding and combat misinformation in the realm of IPV intervention

**Youth Digital Health and Online Platforms** Martyna Gliniecka, 2024-12-27 Youth Digital Health and Online Platforms focuses on young people s use of the digital platform Reddit for health Drawing upon dialogism theory the book explores how young people produce a youth led discourse of youth digital health different from the adult led framing represented in youth digital health research policy and service delivery Peer led discussions online remain one of the controversial forms of youth digital health associated with negative peer influence or casual teenage talk This book argues that online peer led dialogues support young people s agency in health and that young people can benefit from dealing with health issues with peers The work is based on the digital ethnography of teenagers subreddits on Reddit and utilises a theoretical framework of dialogism a linguistic based theory originated by an early 20th century Russian philosopher Mikhail Bakhtin The book introduces the concept of dialogical youth led youth digital health discourse formed in the peer led space of Reddit This youth led discourse celebrates equality and diversity amongst people meanings and opinions It is constructed around three relational elements socio material affordances creative practices and a plurality of youth voices Reddit s pseudonymous anti authoritarian and egalitarian nature supports the emergence of this youth led discourse The book can interest scholars and lecturers in childhood and youth studies Internet studies and youth health studies Professionals such as policymakers service designers deliverers online safety educators and global youth and health agencies can use evidence based insights in their work with young people

**The Idea of a Moral Economy** Lawrin Armstrong, 2016-04-11 The Idea of a Moral Economy is the first modern edition and English translation of three questions disputed at the University of Paris in 1330 by the theologian Gerard of Siena The questions represent the most influential late medieval formulation of the natural law argument against usury and the illicit acquisition of property Together they offer a particularly clear example of scholastic ideas about the nature and purpose of economic activity and the medieval concept of a moral economy In his introduction editor Lawrin Armstrong discusses Gerard s arguments and considers their

significance both within the context of scholastic philosophy and law and as a critique of contemporary mainstream economics His analysis demonstrates how Gerard s work is not only a valuable source for understanding economic thought in pre modern Europe but also a fertile resource for scholars of law economics and philosophy in medieval Europe and beyond
