Guide (2016 Edition) The College Board, 2015-06-30 The Official SAT Study Guide includes 4 official SAT practice tests created by the test maker. As part of the College Board's commitment to transparency, all four practice tests are available on the College Board's website, but The Official SAT Study Guide is the only place to find them in print, along with over 300 pages of additional instruction, guidance, and test information. Launching in March 2016, the new SAT introduces new question formats and content. Be ready with strategies and up-to-date information straight from the team that created the exam. Students will gain valuable experience and raise their confidence by taking practice tests, learning about test structure, and gaining a deeper understanding of what is tested on the SAT. The Official SAT Study Guide will help students get ready for the SAT with 4 official SAT practice tests written in the exact same process and by the same team of authors as the actual exam. Detailed descriptions of the math and evidenced-based reading and writing sections of the SAT, targeted practice questions for each SAT question type, guidance on the new optional essay, including practice essay questions with sample responses, a review of math concepts tested in the exam, test-taking approaches and suggestions that underscore important points, seamless integration with Khan Academy's free SAT practice resources, scaled scoring for all 4 official SAT practice tests, available in July on collegeboard.org. There's also a complete chapter on the new PSAT/NMSQT, which is aligned to the content and scores of the new SAT. The new PSAT/NMSQT also has over 180 million of scholarships connected to student performance. This is the guide for the new SAT that launches in March 2016 and the new PSAT/NMSQT that launches in October 2015.

Hyman, Jeffrey Durso-Finley, Jonah T. Hyman, 2015-09-28 Two award-winning professors, a former admissions officer at a major university, now a counselor at a prestigious high school, and a gifted high school senior, now in the throes of the college admissions process himself, team up to offer you over 600 tips, techniques, and strategies to help you get in to the college of your choice. Comprehensive yet easy to read, this book will teach you how to size up the colleges you're considering and come up with a coherent list. What are college nights, college fairs, and college rep visits, and how you can use each to your advantage? What are holistic, contextualized, and legacy admissions, and how each can work for you? How do some schools count demonstrated interest, and how you can take advantage of this little-known fact? What are Early Decision, Early Action, and Single Choice Early Action, and whether any is right for you? How to figure out the true
