Amazon Paul Smith,Alexander Monea,Maillim Santiago,2022-11-28 Amazon is everywhere In our mailboxes in delivery vans clogging our streets in an increasing portion of our air traffic in our grocery stores on our televisions in our smart home devices and in the infrastructure powering many of the websites we visit Amazon s tendrils touch the majority of online retail transactions in the United States and in many other countries As Amazon changes the face of capitalist business it is also changing global culture in multiple ways This book brings together some of the most important analyses of Amazon s pioneering business practices and how they intersect with and affect the components of everyday culture Its contributors examine the political economy of Amazon s platform making the argument that it operates as an unregulated monopoly that is disruptive to the global economy and that its infrastructure and logistical operations increasingly alienate its workers and wreak many other social harms Our contributors outline the practices of resistance that have been employed by organizers ranging from Amazon employees to artists to digital piecemeal laborers working on Amazon s Mechanical Turk platform They examine the broader cultural impact that Amazon has had looking at things like Amazon Prime and the creation of unending consumption the absorption of Whole Foods and its brand of conscious capitalism and the impact of Amazon Studios and Prime Video on everyday film and television viewing practices This book examines the broader environmental impacts that Amazon is having on the world looking at the slow violence it incurs its underwhelming Climate Pledge and the regional impacts that its business practices have Lastly this book gathers together some important artistic responses to Amazon for the first time in an appendix that offers readers insight into other ways in which critics of the company are making their voices heard and attempting to move broader audiences into solidarity against Amazon

Knowledge Management in

the Sharing Economy Elena-Mădălina Vătămănescu,Florina Magdalena Pînzaru,2017-11-14 This volume explores the

challenge of engaging knowledge management in a sharing economy In a hyper competitive business environment everything tends to be digital virtual and highly networked which raises the issue of how knowledge management can support the decision whether or not to share strategic resources or capabilities The book answers questions such as to what extent does the sharing economy preserve or compromise the competitive advantage of organizations And what are the knowledge management strategies for competitive yet cautious sharing dynamics *Idiot Engineering* Alfred Boediman,Ridi

Ferdiana,2020-12-17 We all especially software engineers are on a journey of enhancing Artificial Intelligence AI Some of us have even dedicated our lives to it Every part of the journey is astonishing including the challenges we encounter Our struggles sometimes lead to ineffective outcomes and because of this some people consider what we are doing or what we have done boring or even idiotic Nevertheless this journey would not be fulfilling without all the highs and lows Whether or not we agree with it AI is here and here to stay What we need to do is embrace Artificial Intelligence and we need to enjoy the journey But how do we enjoy it This book will help us do that by explaining the definition of AI the potentials and the risks of AI how to work on AI how to utilize AI and how to increase AI literacy through education **The De Gruyter Handbook of Automated Futures** Vaike Fors,Martin Berg,Meike Brodersen,2024-09-23 How does automation affect us our

environment and our imaginations What actions should we take in response to automation Beyond grand narratives and technology driven visions of the future what more can automation offer With these questions in mind The De Gruyter Handbook of Automated Futures provides a framework for thinking about and implementing automation differently It consolidates automated futures as an inter and transdisciplinary research field embedding the imaginaries interactions and impacts of automation technology within their social historical societal cultural and political contexts Promoting a critical yet constructive and engaging agenda the handbook invites readers to collaborate with rather than resist automation agendas It does so by pushing the agenda for social science humanities and design beyond merely assessing and evaluating existing technologies Instead the handbook demonstrates how the humanities and social sciences are essential to the design and governance of sustainable sociotechnical systems Methodologically the handbook is underpinned by a pedagogical approach to staging co learning and co creation of automated futures with rather than simply for people In this way the handbook encourages readers to explore new and alternative modes of research fostering a deeper engagement with the evolving landscape of automation *Scrum For Dummies* Mark C. Die Autoren nehmen den Integrationsprozess in den Fokus und geben einen umfassenden Überblick über die wesentlichen Planungs- und Umsetzungsschritte und erläutern die Erfolgsfaktoren, um Fusionspotentiale nutzen zu können. In der Neuauflage werden aktuelle Themen berücksichtigt, dazu gehören neue Organisationsformen in PIM-Prozessen, die Verbindung von Transaktion und Transformation sowie Nachhaltigkeitsaspekte im Integrationsprozess. Die Darstellung wird unterstützt durch zahlreiche Beispiele, Best Practice Ansätze, Tools und Checklisten, die die Hilfestellung geben, ein Integrationskonzept wirksam umzusetzen.

Essentials of Marketing Analytics, 1e Joseph F. Hair (Jr.), Dana E. Harrison, Haya Ajjan, 2021. We developed this new book with enthusiasm and great optimism. Marketing analytics is an exciting field to study and there are numerous emerging opportunities for students at the undergraduate level and particularly at the master's level. We live in a global, highly competitive, rapidly changing world that is increasingly influenced by digital data, expanded analytical capabilities, information technology, social media, artificial intelligence, and many other recent developments. We believe this book will become the premier source for new and essential knowledge in data analytics, particularly for situations related to marketing decision making that can benefit from marketing analytics, which is likely 80 percent of all challenges faced by organizations.

Connectable: How Leaders Can Move Teams From Isolated to All In Ryan Jenkins, Steven Van Cohen, 2022-03-01. WALL STREET JOURNAL BESTSELLER. FINANCIAL TIMES BOOK OF THE MONTH. Connect your workforce, improve engagement, and drive productivity to undreamed-of levels. Feelings of loneliness among employees are on the rise, with 72% of global workers suffering from it. This sense of isolation is contributing to a real and growing mental health problem that affects both individuals and organizations. In *Connectable*, you'll learn how tackling the issue of worker loneliness head-on can transform an isolated workforce into one that's happier, more engaged, and more productive. With more than a decade of experience spent helping companies lessen worker loneliness, Ryan Jenkins and Steven Van Cohen distill their methodology, showing you what's causing today's loneliness, the role inclusion plays in solving it, and how you can decrease loneliness and increase belonging, engagement, and performance with employees at every level, including yourself. You'll learn how to identify lonely or burned-out employees, build psychological safety within a team, create environments of belonging and inclusion, cultivate meaningful connections across team members in person or remote, build committed, driven, and high-performing organizations using the authors' proprietary 4-step Less Loneliness Framework™. Jenkins and Van Cohen provide the perfect balance of science, statistics, stories, and strategies to help you move everyone on your team from isolated to all in. Discover what ATMs, cocaine, Red Sox fans, and time travel have to do with moving teams from disconnected to connected. *Connectable* delivers the information, insights, and actionable strategies needed to awaken a renewed sense of connection throughout your organization.
