Thatcher Kathi S. Barton,2019-01-21 A fresh start was what Rogan Hall needed A small town out of the way where no one knew her or her brother was where they d start over She worked from home and they kept to themselves The only thing Rogan couldn t give up was her early morning run Like clockwork she ran every morning and again like clockwork the same family would pass her on the country road heading to who knew where The little boy in the back seat would wave at her with such enthusiasm it made her heart melt However that morning everything would change Only moments after the car passed her and drove around the bend she heard a loud commotion Another car barreled past her and she found the quaint family s car overturned and on fire Rogan did the only thing she could do she saved them Thatcher Robinson was on duty at the hospital when his parents contacted him through their link and told him about the accident and what to expect when the ambulance arrived Thatch his dad told him they had to save the woman by changing her but her burns were severe and his dad wasn t sure that the new tiger would survive When Rogan regained consciousness she was unsure where she was but she knew she was different She could feel the tiger move just beneath her skin Rogan knew very little about shifters but what she did know had her cringing Why someone would take it upon themselves to change her she didn t know but when the young doctor Dawson said his brother was her mate she was furious If the big bad Thatcher thought he was going to order her around he had another thing coming
