*The Amazon of Brazil* John Waggoner, 2010 Bookdivides the immense Amazonian region into western and eastern sections as each has its own unique characteristics The Western Amazon is the state of Amazonas on the border with Peru Colombia and Venezuela In this region of the Amazon nearly 98% of the rainforest is unspoiled It is here where the pristine headwaters of the Amazon the Rio Negro and the Rio Solimoes come down from the Andes far from the modern world The main port of entry for exploring this region is the jungle metropolis called Manaus On the eastern side of the Amazon there are some amazingly beautiful destinations but there are fewer options as the region has been partially deforested and basic transportation and infrastructure are problematic The top destination on the eastern side is Par state with its rich cultural life the exotic capital Belém nearby Ilha de Maraj and Santarém up the Amazon River near the border with Amazonas The author a longtime resident of Brazil is Latin America news director for ICIS an international news agency The best hotels for every budget are detailed from beach resorts to country inns restaurants attractions and activities are detailed in the cities towns and villages Shop till you drop ideas for crystals native handicrafts Amazonian fetishes and more The history culture and music of the country are examined up close taking you into Brazil's samba schools rainforests and amazing nightlife Includes an easy to use language primer

Regulatory options to address food e-commerce in national legislation Lattanzi, A.; Bullon, C.; Viinikainen, T., 2026-01-23 This legislative study examines the challenges of food e-commerce particularly with regards to food safety and consumer protection and looks at how and first of all if different legal systems have addressed this phenomenon from a regulatory standpoint Even if online trade of food has grown at an unprecedented speed in recent years food e-commerce regulation both international and national has not necessarily followed the same pace This legislative study identifies several recommendations to guide policy and rule makers in their mission to build effective regulatory mechanisms towards safety and compliance on food e-commerce channels It suggests a multidisciplinary regulatory approach integrating

existing frameworks with new rules where necessary Considering the inherent cross border nature of food e commerce and the extensive role of online platforms in today s economy this study also focuses on the importance of international regulatory guidance and the involvement of private self and co regulatory schemes to complement national frameworks
