### Tips To Follow The 28-Day Walking Plan

1. Slow is a stroll - approx 25 minutes/mile. Use this easy pace to warm up.
2. Moderate is a normal walking pace - 20 minutes/mile. You can still talk as you walk.
3. Fast is walking at a brisk pace where you're pushing yourself - 17 minutes/mile.
4. Complete sessions in one go or split into 2
5. Repeat a week if you find it too hard.
6. If the plan is too easy increase the intensity of your walks with intervals or hills.

Campbell,Amazon.com (Firm),2013 Walking is the very foundation of life health and fitness It s natural and primal and it s the easiest thing on the planet to do It s also the most overlooked component of fitness and I feel that s a huge reason why so many people are so overweight these days Weight loss seems like a difficult process Perhaps even one that requires deprivation and discomfort Fortunately that s not the reality at all There s definitely a truth to losing weight it does require some action on your part But the things you do on your weight loss journey don t have to be painful The process of losing weight can actually be fun and enjoyable In the guide *Walking to Lose Weight A 12 Week Walking Workout Plan* you will learn an exact 12 week walking workout plan that you can use to lose weight starting today Each step you take on this plan above and beyond your current activity will move you that much closer to achieving your weight loss goals **The Complete Manual of Fitness and Well-being** Reader's Digest Association (Canada),Sélection du Reader's digest (Canada) (Firme),1988 In addition to exercise and diet this account covers such topics as human growth body parts and health *The Complete Manual of Fitness and Well-being* Reader's Digest Association,1984 Each chapter of this all purpose health book deals with a different topic ranging from nutrition to exercise and also covering beauty care sexuality and alternative medicine Charts diagrams drawings and 450 full color photos *The Good Housekeeping Illustrated Guide to Women's Health* Kathryn Cox,1995 More than ever women are taking charge of their own health No longer content to let the doctor decide they are demanding a say in picking the therapy or procedure that s best for them Indeed American women are envied around the world because they have so much control over their bodies With this newfound control comes the responsibility to be a truly informed partner in making important medical decisions This means keeping abreast of new scientific developments and knowing what questions to ask or where to find the answers no easy task given the sometimes overwhelming and often conflicting flood of medical information available through the media and other sources With this in mind the editors of Good Housekeeping have created the *Illustrated Guide to Women s Health* a timely and thorough text compiled by a team of medical experts These highly respected specialists represent the

spectrum of women's health concerns from internal medicine endocrinology rheumatology breast surgery and plastic and reconstructive surgery to psychiatry occupational medicine nutrition and exercise physiology Unlike general health books that concentrate heavily on male health issues this book focuses solely on a woman's body her medical needs and the social issues she faces from adolescence to old age Like other books on women's health it provides sound information and advice about pregnancy childbirth menstruation menopause and other facets of gynecologic health But unlike most other books for women it also addresses such topics as heart disease occupational health hazards stress management and physical fitness facets of health that are just as critical to women as to men There's also a full color atlas of the female body and its various systems as well as an illustrated encyclopedia covering scores of disorders diagnostic procedures and treatments Throughout the text is written in clear understandable language supported by illustrations that make even the most complex material easily understandable Above all its tone is straightforward non political and objective Regardless of which roles you fill as a woman wife mother daughter caregiver employee we think you'll agree that *The Good Housekeeping Illustrated Guide to Women's Health* is the one indispensable book designed to make you an informed partner in your own health care
