Sandokan Nanni Balestrini,2014-09-09 I'm never coming back to my hometown A major Italian author's tale of growing up with Italy's most brutal criminal enterprise the Camorra This striking novella is based on first hand research of the Camorra an Italian organized crime network more powerful and violent than the Mafia It's the brutal organization that was recently exposed by Roberto Saviano both in his brilliant non fiction account and the film adaptation Saviano as it turns out first interviewed Camorra members while working as a research assistant to Nanni Balestrini collecting the stories that would become Sandokan Though fiction Sandokan is horribly devastatingly real The narrator is a resigned victim of the Camorra The Camorra members are his neighbors and he presents an uncompromising description of a world under savage occupation the true combination of backwardness violence and ambition that locks small town southern Italy under the control of organized crime It is one of the most meaningful and riveting books to have been produced by Italian literature of recent years by one of Italy's most significant authors The Contemporary Art of the Novella series is designed to highlight work by major authors from around the world In most instances as with Imre Kertész it showcases work never before published in others books are reprised that should never have gone out of print It is intended that the series feature many well known authors and some exciting new discoveries And as with the original series The Art of the Novella each book is a beautifully packaged and inexpensive volume meant to celebrate the form and its practitioners
