Personal Health: A Public Health Perspective with Navigate Advantage Access Michele Kiely, Meredith Manze, Chris Palmedo, 2024-04-29 Written to guide students developing healthy lifestyles while helping them better understand the policy decisions that encourage health Personal Health A Public Health Perspective uniquely provides information about individual health topics including those of great interest and relevance to college aged students while presenting them in the context of community and global health Thoroughly updated to reflect current statistics research treatments and more the Second Edition also includes coverage of COVID 19 including its impact on mental health expanded coverage of the social determinants of health and health inequities new material on violence prevention including sexual assault and gun control different ways to approach healthy eating and helpful tips on incorporating exercise and much more Filled with examples from social media websites and the popular press as well as peer reviewed publications the Second Edition also is enlivened with numerous features including Try It which applies topics from the text to the students daily life Fact vs Fiction which debunks popular health myths and explores controversies By the Numbers which displays relevant and often surprising statistics to further the students understanding of the topics Up for Debate which describes current controversies in public health Going Upstream provides insights to help students think about predisposing factors to health particularly social determinants of health Tales of Public Health which that are real life stories to bring a human face to a concept The following courses or similar in 2 and 4 year undergraduate programs Health 101 Personal Health Introduction to Public Health Public Health Foundations 2025 650 pages SAMHSA News ,2006 Media Literacy and Mental Health Care Access Jesse Scaccia, 2026-02-05 In this book Jesse Scaccia argues that while courses that teach students how news media and social media might cause or worsen mental health issues are a promising start media literacy education also needs to teach young adults how to reach mental health care when they need it *Spin Doctors* Nora Loreto, 2021-11-24T00:00:00Z As Canada was in the grips of the worst pandemic in a century Canadian media struggled to tell the story Newsrooms already run on threadbare budgets struggled to make broader connections that could allow their audience to better understand what was really happening and why Politicians and public health officials were mostly given the benefit of the doubt that what they said was true and that they acted in good faith This book documents each month of the first year of the pandemic and examines the issues that emerged from racialized workers to residential care to policing It demonstrates how politicians and uncritical media shaped the popular understanding of these issues and helped to justify the maintenance of a status quo that created the worst ravages of the crisis *Spin Doctors* argues alternative ways in which Canadians should understand the big themes of the crisis and create the necessary knowledge to demand large scale change , **The Power of Real Optimism** Deepika Chopra, 2026-03-17 Optimism isn t about pretending everything is fine It s about staying open and flexible especially when it s not In this fresh science backed debut professional psychologist and media expert Dr Deepika Chopra shows us how

to build the kind of optimism that can actually withstand real life We've been sold the idea that optimism is a mood a mindset or worse just an inherent trait But what if real optimism is something else entirely In *The Power of Real Optimism* Dr Deepika Chopra known as The Optimism Doctor offers a radically different definition optimism as a science a skill and a psychological muscle we can strengthen Drawing from over a decade immersed in the science of resilience emotional well being and cognitive psychology as well as her work with clients innovative workshops and hallmark practices think evidence based visualization narrative reframing her signature self worth work and even color Dr Chopra offers a toolkit for navigating the chaos uncertainty and nuance of being human without losing yourself to it Grounded practical and poetic in all the right ways this book will challenge your relationship with hope rewire how you recover from hard things and invite you to stay soft without falling apart With her blend of intimate storytelling psychological insight and tangible tools including a 33 day Real Optimism Challenge Dr Chopra offers something far more enduring than a quick fix or fleeting affirmation She invites us into a deeper more resilient way of living one where we can stay curious in the face of fear open in the face of grief and grounded even as the world wobbles beneath us Because real optimism doesn't deny the dark it teaches us how to see in it
