

# The United States of America

The United States of America is a country in North America. It is made up of 50 states. The capital of the United States is Washington D.C. The United States is a big country with many different types of landscapes, like mountains, forests, deserts, and beaches. The United States is also home to many different types of animals, like bears, eagles, and alligators.

The United States has a lot of history. The first people who lived in the United States were Native Americans. Later, people from Europe came to the United States and started colonies. The United States became an independent country in 1776. The first president of the United States was George Washington.

The United States is known for its culture, too. There are many different types of music that came from the United States, like jazz, blues, and rock and roll. The United States is also known for its food, like hamburgers, hot dogs, and apple pie. Every year, people from all over the world come to the United States to visit famous landmarks, like the Statue of Liberty, the Grand Canyon, and Disneyland.
