While You Were Out Meg Kissinger,2023-09-05 From award winning journalist Meg Kissinger a searing memoir of a family besieged by mental illness as well as an incisive exploration of the systems that failed them and a testament to the love that sustained them Growing up in the 1960s in the suburbs of Chicago Meg Kissinger's family seemed to live a charmed life With eight kids and two loving parents the Kissingers radiated a warm boisterous energy Whether they were spending summer days on the shores of Lake Michigan barreling down the ski slopes or navigating the trials of their Catholic school the Kissingers always knew how to live large and play hard But behind closed doors a harsher reality was unfolding a heavily medicated mother hospitalized for anxiety and depression a manic father prone to violence and children in the throes of bipolar disorder and depression two of whom would take their own lives Through it all the Kissingers faced the world with their signature dark humor and the unspoken family rule never talk about it *While You Were Out* begins as the personal story of one family's struggles then opens outward as Kissinger details how childhood tragedy catalyzed a journalism career focused on exposing our country's flawed mental health care Combining the intimacy of memoir with the rigor of investigative reporting the book explores the consequences of shame the havoc of botched public policy and the hope offered by new treatment strategies Powerful candid and filled with surprising humor this is the story of one family's love and resilience in face of great loss

The Heart Kate Stewart,2016-05-10 Jack For the last ten years I ve roamed the globe captivated by the world around me I ve seen the seven wonders and admired sunsets from every continent I d lived and loved and that was enough for me It would have to be I was content satisfied with my collection of experiences until a phone call led me down a road less traveled

If I d known my fascination would pique and be forever quenched only a few hundred miles from where my curiosity had been born I may have never set sail Rose Stripped of the future I d planned with the love of my life my family and my career were now all that mattered I d lived and loved and that was enough It would have to be I struggled to move forward to discard the part of me that held out hope for my obliterated heart But I was bred a romantic so it was easier said than done The chances of being struck by lightning are 1 in 960 000 The odds of being struck twice are 1 in 9 million I risked those odds every minute often cursing the dark sky praying for static and a rumble of thunder but it never came No that second bolt hit me on a clear day
