Wolf of Stone Quinn Loftis,2014-10-31 Dalton Black a Canis lupis full of guilt and anger never expected to find his true mate Perhaps already slipping into madness he had resigned himself to the fact that he would walk the earth without the other half of his soul He was convinced that his sins where enough to keep the Great Luna from giving him such a blessing He knew it was probably better that way His past was as dark as his name and after three centuries of running from it the memories were finally catching up to him But all of those resignations evaporated when he saw her broken and bloodied body lying on that altar Though the man didn t recognize her the wolf did Through battle and bloodshed he was able to save her from the evil that held her captive but now he would need her to save him from himself Jewel Stone was wholly unaware of the ancient bloodlines of Gypsy Healers mates to Canis lupis and protectors of the packs much less that she carried that blood herself But when a beautiful but deadly woman showed up in her home and ripped her from her realm she knew her life would never be the same Her mother Gem a fortune teller had warned her that something was coming that her life was about to change dramatically but like everyone else Jewel had dismissed her as a crazy person Jewel was the laughing stock of her school simply because Gem was her mother And up until now her life was one big disappointment after another Instead of heeding her mother s warning she hid in her books burying herself behind knowledge both fact and fiction She escaped into worlds created by others and filled her mind with facts of every kind in an effort to push away the hurtful words that others bombarded her with Despite all of her knowledge and all of her fantastical stories she never dreamed her own future would be full of adventure danger passion and the possibility of unconditional love As she lay unconscious after her first bloody encounter in the fae realm her only chance of survival lay in the hands of a man scarred by his past disfigured both emotionally and physically and beyond the reach of any who had tried to help him Can two broken people who carry the other half of each other s souls span the chasm between them and restore the innocence ripped from both their lives Will they let the promise of healing love overcome the difference in age and experience and the separation of species and realms Or will they give in to the fear and doubt that would keep them from one another for eternity *Wolf Stone* CC Brown,2013-07-16 Just when Dmitri thought nothing could stop him from executing his plan to become king of the shapeshifters enters sexy Mona Dix The sacred relic of the werewolf nation the Wolf Stone has fallen into her hands With the possession of the stone comes the power to dominate and rule the thirteen werewolf tribes Vacationing on the Oregon coast in the rugged terrain of the redwood forest Mona and her friends are unaware of Dmitri and his pack of ancient wolves in hot pursuit to retrieve the precious stone For the first time Dmitri meets a woman who is more than a match for his supernatural powers and strong will She is a Black Widow and a member of the Society **Transactions** Iowa State Horticultural Society,1892 **Report** Iowa State Horticultural Society,1892 Includes Transactions of affiliated societies *The Wolf Stone* Liam & Beverley Moore,2018-09-30 When Sam Burnley set out to visit his friend Callum one Spring evening he never
